# 課外活動彙誌

(一) 本校課外社團為數不少，故學年內有益於學生身心學業之活動至繁，自不能漫無紀錄，惟限於篇幅，亦只撮記各社團之動態大要而已。「求全」尚可，「求詳」則勢所難之。然刪繁就簡，從點滴以見全貌，實信而有徵。

(二) 有關各團體之報導，均由各該社團之主席或秘書依照紀錄執筆。

(三) 因校刊截稿有時限，故團體活動紀錄僅至截稿日期為止，須至活動者，容當續報。

### 英皇書院舊生會

該會週年報告拾敘述一年之繁忙會務外，並透露一令人喜悅之因素：會員中，戰後會員為數甚眾。此實為該會不遺餘力吸收新血政策之良好成果。今年會員計為五百五十人。戰後會員人數銳增，現已遠超戰前會員。

本年該會失去會所，此會所給與該會一切便利幾達十年之久。在新會所未覓得前，該會通訊地址暫為：香港必列街五十八號，英皇書院舊生會小學。

該會位於赤柱海灘之雙層泳舍，實為娛樂身心好去處之一，夏天不停開放，以利會員及其家屬作海浴之用。

該會所推行之社會工作中，最可引以為傲者，厥為於學年甫告結束後，特為本校五、六年級學生而設之茶會。該舊生會委員各就所長，對小組同學分別給予就業及升學指導。

舊生會小學自遷進必列街新校舍上課以來，現已開始其第四年矣。該小學分三班上課，有教員四十五位，學生一千五百一十一人，(男生佔多數，但非壓倒性之多)。黃國賢先生仍為下午班校長，鄭淑銘女士則兼任上午及晚上兩班校長。畢業典禮於一九六二年十一月二十日舉行，並敦請富嘉新氏致訓。富氏曾執教本校，現為香港留英學生顧問，是以得常與吾等保持緊密之聯絡，並深知目前吾人所遭遇之教育上難題。

炎夏之際，該會會員致力於陸上、水上、跳水、及人工呼吸等訓練。八名會員參加拯溺考試，全部及格，獲得銅章。

羽毛球會

該會擴展奇速，現有會員五十人，為昨年人數之兩倍，因而需增購球拍，以便會員借用。會員們俱有足夠時間練習。年內該會羽毛球隊嘗與其他學校羽毛球隊作友誼賽多場。

象棋會

該會按時舉行集會，並為會員編排各級水準之棋術講座。其優良之效果可見於下列所述之成績：

此外,於八項目中共獲獎狀三十紙。

## 美術會

「多作觀摩,勤加練習。」斯為該會顧問之至理名言也,會員遵守有加,是以參加經常舉行之戶外寫生者,至為踴躍。

該會之活動,有或為教師顧問,或為美術視學官(奇里夫 Mr. M. F. Griffith)所主持之演講;亦有美術展覽會之參觀,其中以大會堂展出之英童藝術展覽最受會員喜愛。

## 攝影會

該會經常舉辦有關攝影技術之演講。

第八屆全港學生公開攝影比賽繼續由該會主辦。日期雖較去年暑假,然參加比賽之照片為數至多。五位本港攝影界知名人士被邀請為名譽評判員。彼等大家對競賽照片之水準有良好之批判。該會會員陸江、李懋昭分列黑白組冠軍、亞軍。是屆攝影公開比賽之頒獎禮於一九六三年四月二十九日舉行,何禮和夫人(Mrs. Halliwell)主持頒獎。

該會六年級會員於荃灣露營期中,組隊拍攝紀錄片,並於開放日展出。

## 辯論會

該會於學年初改組,年內所舉行之辯論凡十次,其中有與學校生活關連者。於討論男女同校與乎自由教育時,該會一致贊成——此等論題為上次畢業頒獎典禮中,白蘭頓教授(Prof. Blunden)所提及者。該會反對取消留堂懲罰,此或可謂令人詫異者矣。較普遍之論題則包括二十世紀生活之優劣,人性善良等。

月五日所舉行之「論彌撒」問答比賽,終獲冠軍。

該會又參與於聖保祿女校舉行之聖誕週年茶會。此茶會不但為一節日性之慶祝集會,且更多姿多采。

## 香港童軍第五旅

威爾斯太子錦標賽(一九六二年十一月):

該旅既獲西區及維多利亞城區童軍聯合露營比賽冠軍之餘,復代表西區參加是賽,不幸僅以毫釐之差,敗於第一旅而屈居亞軍。然就此而觀,亦可見較諸年前之表現有足長之進步矣。

西區及維多利亞城區聯合野營比賽(四月及八月):

該旅於烹飪比賽名列第二,但於先鋒工程比賽則獲全勝,膺冠軍之列。

## 露營

該旅參加露營比賽多次,於八月間在又一隘舉行之西區及維多利亞城區聯合露營比賽中,獲得季軍。

## 公眾服務

於本校各重要場合中,該旅之深資童軍與童軍皆能竭力執行職務,此外更替舊生會小學為其畢業頒獎典禮效勞。

## 個人成績

旅長陳明鉅於三月間獲獎童軍肩帶,此肩帶為旅中最高榮譽。

## 愛丁堡公爵少年獎章計劃

此計劃目的在使學生善用其閒暇時間,本校應邀參加,是以於二月間開辦有關之課程。

十二名學生獲選接受訓練,包括每週集會與戶外訓練,藉以增進各方面之能力,如:地圖閱讀,救急,體力適應,及露營等。直至目前為止,彼等已完成課程四部份中之三部份,並考試合格;希望於是年十一月間,即可獲得銅章。

五年級學生中參加辯論發射探月火箭之價值者獲益匪淺,蓋此論題出現於彼等會考之英文作文科試卷。吾人雖難保證此類事情之重演,惟此日趨發展之辯論會必能前途無限,則可預卜者耳。

## 工藝社

遠自本校尚為一小學時,木工室即已存在,給與吾人莫大之挑戰。終於一九六二年二月,工藝社正式成立;手工室大小雖不敷全班上勞作課之用,然甚適合該社進行一切計劃之所需。造詣精湛之良師,該社於短短數月間進展之神速,實賴以成。荃灣實體模型之製作,為該社成就之一例。

該社現正策劃製造數種模型,誠遠大也矣。

## 聖約翰救傷會

該會與上述之工藝社同於一九六三年二月成立,其活動分兩大類:救急訓練與平輪班值勤。值勤鐘點包括每日在操場上隨時可有意外事件發生之遊戲時間。

## 理學會

該會於二月間成立,曾數度參觀各大工廠,並旅行山頂,作氣壓計實際應用之實驗。

該會希望將來有更多活動云。

## 宗教團體

基督教團契所主辦之研經班有二,均在午膳休息時間每星期聚會一次。深造班由朱杞祥先生領導,趙君鏗女士則負責初級班。聖誕期間,該團契與其他三校之團契舉行聯合禮拜;復活節假期中所作烏溪沙兒童新村之遊,興高采烈,流連忘返。

天主教協會推行事務不遺餘力,目的在增進各會員間友誼,另一則在給與會員更多研討教義之機會。該會派員出席十二

## 露營實地教學

英皇書院露營實地教學於荃灣上葵涌測量營第一號舉行,是為本校新政之一。於此,十位教師與四十名學生進行一有趣之實驗,目的在完成一項重要之學習,同時亦給與此等學生團體生活之寶貴經驗。

是次實地教學之主要計劃為「荃灣——其地理之詳細研究」。

學生共分四組,每組有一專題:甲組——荃灣之地理風土;乙組——荃灣之土地利用;丙組——荃灣之農作物;丁組——荃灣之工業發展。彼等之學習情況,晨早上課,由營中老師或校外人士如荃灣理民官,教育司署、水務局等官員,並香港大學地理系地質系講師等講授。午間實地體察,訪問工廠。晚上為康樂時間,節目有電影,土風舞,唱片欣賞及晚會等不一而足。

## 體育運動

### 校際運動比賽成績

是年本校幾參加由香港學校運動會所主辦之每一比賽項目。成績雖不十分超卓,大致上仍能滿意。

### 足球

甲組在聯賽十場中獲十分,得進入淘汰制之準決賽。

乙組在聯賽九場中獲九分。

丙組在聯賽七場中獲八分,得進入淘汰制之準決賽。

### 籃球

甲組在聯賽第一循環中獲四分。

乙組在聯賽中獲得季軍。

### 乒乓球

丙組在淘汰賽中名列亞軍。

### 排球

甲組在第一循環中位列第三。

理，化學，生物。兩高級預科班則分別，研讀考進香港大學理科或醫科所需之科目。

本學年開辦之初級文科預科班雖不屬此校務報告之範圍，然亦一可注意之事也。

本校所授之各科範圍全部經已重新編訂。一年級至三年級亦採用一新訂之數學範圍。

## 實習教師

本學年內，三位來自港大教育系，六位來自羅富師範學院之學生，到本校觀課並試教。彼等可視為臨時教員，其對本校之幫助，拾授課而外，蓋亦及乎課外之活動焉。

## 圖書館

本校圖書館為午膳休息時間中，學生活動之中心。為避免過度擠迫起見，特依班別編定進內閱讀日期。館內環境幽靜舒適，極宜閱讀。

由於大量新書增加之故，書架數個經予添置。借書手續亦經改變，務求書籍俱備正式手續借出。此舉目的蓋在乎訓練學生將來有一良好之圖書館習慣。

據一九六三年九月統計所得，藏書數目一萬八千一百七十一本。

## 校刊

「英皇書院校刊」仍為一學年來之最佳記錄，且給與學生首次刊登其作品之機會，鮮有學生於其肄業期間未嘗不刊登至少一篇之作品者。惜乎印刷費用之激增，迫不得已割愛部份稿件，本年更需署為調整校刊價格以資彌補。惟從所得之許多回鴻，其中更有寄自外國者，顯示此刊物殊值一切之努力及費用。

一如昨年，本年有班級二十八，課室二十六。無固定課室上課之兩班經已妥為編排，務使彼等非昨年遭遇同一命運之兩班。

## 課程

中學一年級至五年級會考班課程包括一般學科，如：英語，英國文學，中國語言，中國文學及歷史，翻譯，國音，地理，歷史，公民，純數，物理，化學，生物，圖畫，音樂，及體育。物理，化學，生物在整個課程中皆分科講授。

兩理科初級預科班攻讀英語，國文，翻譯，地理，純數，物

## 社團活動

### 地理學會

該會是年甚為活躍，計有多次演講，放映電影及旅行等。值得注意者厥為馬鞍山礦場之行，與乎研究長洲海岸綫形成之竟日遊。此外，中年級學生參觀皇家天文台，初年級學生則往植物公園作基本之植物學習。若就該會兩會員所製之香港本島實體模型而觀，亦覺室內活動之不能忽視也。

最後，該會會員多名曾參加在荃灣舉行之露營實地教學，彼等主要計劃為與地理有關者。(參閱荃灣露營實地教學一項)

### 生物學會與園藝社

是年該會社放映電影及旅行之多為歷年之最。旅行遍乎本港各處，作實地之研究，如鶴嘴之池塘水族，赤柱之水草等。會員又嘗至香港仔嘉華酒廠，參觀釀酒過程。

於四月間之露營實地教學中，會員會詳細研究荃灣之農作物。

一如往年，園藝社社員經常種植四季花卉。

### 校際音樂節

本屆校際音樂節中，本校參加兩項合唱團演唱比賽，兩項全體朗誦比賽，兩項口琴大合奏比賽，及選派五十三名學生參加十二項個人演奏比賽。茲分列成績如下：

冠軍：(一)五、六年級男子全體朗誦；

(二)男高音獨唱；

(三)高級男子中國散文朗誦；

(四)高級男子中國詩詞朗誦。

亞軍：(一)五、六年級男子英國詩朗誦；

(二)高級男子合唱團(共有兩隊同獲亞軍)；

個月，謹藉此致謝何理和先生，渠在去年十二月至暑期末為署理校長，現祝他在英皇佐治第五中學有卓越的成就。

學生人數為歷年來之最多者，有五位女同學已完成大學預科課程，且進入香港大學攻讀。

學齡：學生對學業日有進展，實為一良好的現象。  
學班編制：本年首設大學文科預修班，為歷年來之創舉，已往同學多不願選修文科，但今年之文科班全為本校學生升讀。

音樂上之成就：本校獲四項冠軍。

新學會之成立：以手工藝、學生科學研究會及聖約翰救傷隊為重要。

董軍及愛丁堡少年獎計劃：十一位同學及一位教員已領有急救證書。

露營學校為一卓越之成就，荃灣之地理模型現在茶點室中陳列。

在校際比賽中，本校的成功多在藝術方面，如攝影、音樂與棋賽，但我們亦積極訓練學生，使其在體育及各種運動上有平均的發展。

學業成績：本校一百九十名學生參加中學會考試，一百八十人（合計為百分之九十五）及格，取得會考文憑，其中百分之五十六得升入大學預科攻讀，在會考成績中，有九名學生獲得十科以上良好，最佳者有八科優異，三科良好，會考成績為歷年之冠，足見各師長同學之努力。英皇中學舊生每年捐出德士金牌獎，今年由學生趙榮昌獲得，趙君不僅專心於學業，且為高級組董軍及學生首長。

學生就業情況：本校五年級學生一百九十人中，有一百六十七人（即百分之八十八）繼續升學，只有百分之十二就業，可見學生務求取得更高的學歷，此亦反映出會考畢業生就業之困難。在大學預科班之一百零六名學生中，亦有約百分之十二人數就業，其中有半數在完成大學普通科課程後，即服務於政府機構，亦有一部份在就業中的同學，仍繼續在夜校攻讀，以求上進，只

下列數字顯示一穩定之人數增加：

一九五九年九月	男生九〇四人	女生五人	共九〇九人
一九六〇年九月	男生九五四人	女生六人	共九六〇人
一九六一年九月	男生一〇〇〇人	女生十六人	共一〇一六人
一九六二年九月	男生一〇三〇人	女生廿一人	共一〇五一

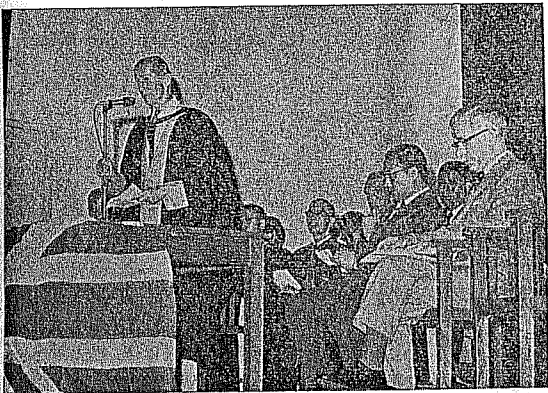

有甚少數的同學不再求深造。

升學外國之學生數字則劇減至數人，可能因美洲及澳洲各大學增加入學條件所致。

學生畢業離校後，甚少與母校聯絡。據我們所署知的同學中，有何文楷君，他為一九五八年學生首長，現正在墨基露大學攻讀博士學位。學生陳燕侶於一九五九年完成大學預科課程，現已在香港大學任助教之職。本人現向各高年級及已離校的同學呼籲，希望各位能與母校保持聯絡，互通消息。

至此，我得述及本校舊生會戰前與戰後會員因年齡之差異而常有隔膜，但近年來，學生會之委員會多由戰後會員組成，雙方已漸趨融洽，但參加舊生會的同學，仍甚少數，吾人對舊生會之友誼及所享之各種利益，應即加入舊生會。我已提及舊生會所捐的德士金牌獎，據岑才生先生對本人之透露謂：舊生會現正計劃設更多之獎品，以鼓勵各同學。

致謝：教育司唐露曉曾多次到本校參觀，但迄今尚未向吾等訓話，現特向教育司唐露曉致謝意。蒙岑才生夫人蒞臨頒獎，承岑才生先生之熱烈支持及充當大會主席，又得各教職員之努力，及各嘉賓撥冗參加此一年中之盛典，本人不勝感激。禮成後，請各位畧進茶點。

# 一九六三年 畢業頒獎典禮

英皇書院本年度頒獎典禮，於昨日下午五時半，假本校禮堂舉行，請教育司唐露曉致詞，華僑日報經理、英皇書院同學會長岑才生之夫人主持頒發各項獎品。蒞會觀禮嘉賓，計有高級教育官張紹棠，中文大學聯合書院校長鄭棟材、柏立基師範專科學校校長吳廣源、皇仁書院校長張經柏、維多利亞工業學校校長譚國榮、梁鳳岐夫婦，其他中外嘉賓及學生家長等，情況熱烈。

典禮於教師及主禮人步入禮堂後即告開始。大會主席一職，由岑才生氏担任，渠首先致開會詞，指出英皇書院學生本年各種學術成就優良；此外，學校當局亦鼓勵學生參加校內各種比賽。岑氏又稱：本人獲悉德士金牌獎獲得人趙榮昌君，不獨為一名學業成績優良之學生，而在領袖才幹表現方面，亦是一個人材。岑氏繼向學生呼籲，請各人踴躍參加英皇書院同學會，并謂該會設有學生會員組，給予學生參加，每年會費為三元。岑氏最後稱：同學會在去年曾於一個非正式之集會中，向學生講述有關彼等將來之職業問題，本年擬再繼續辦同樣性質之集會。詞畢，校長郭士熙報告校務，就本校之學生學業成績，學班編制，學會成立，童軍活動，校內活動，學生就業情況，舊生會活動等，一一述及。繼請教育司唐露曉致詞，岑才生夫人頒發獎品，學生代表致謝詞後，本校口琴隊及歌咏隊演奏及演唱名曲，表演精彩，各嘉賓

郭士熙校長剛才說過：彼回校復職僅三月而已。由去年十二月至本年暑假後，實由夏禮和先生代行職務，在歡迎郭士熙先生回校復職當中，余以為報告書所提及之建樹，實徵校長與夏禮和先生及各位教師之力不克臻此。余認為校長、夏禮和先生與各位教師亦深知各項成就實有賴良好學生之合作，去年良好成績值得向諸君祝賀。

教育司唐露曉致詞

英皇書院向以學業成績優良見稱，因是求入學大學預科班學生衆多，然因學位有限，未能全部容納，此事令學校深感困難，不得已始採選拔方式以為甄別。雖然，如應付香港現在處境，政府輔助下由小學至大學階段之教育，不得不亦採選拔方法為甄別，但此種方法或令學生未能完成某一階段之學業，余深以為憾。成功之學業絕非保證一生事業之成功，換言之，學業之失敗，亦非一生事業之失敗。余發表此言論時，余雅不欲於此闡述有關此問題之冗長釋義。要之，吾人服務社會，除獲得合理之生活外，應對人羣有所貢獻。余知在競爭劇烈之社會中，教育固具有重要性，然余深望未有機會經過大學階段者，皆能完成上述兩使命。

因為教育之目的，乃養成良好之公民，余甚歡喜知道德士獎牌為一學業成績良好而又熱心於童軍之隊員考獲。對於英皇書院熱心參加各種課外活動，尤感愉快。余對英皇書院參加訓練品格

賓大予讚賞。最後學生代表黃廣富向岑才生夫人獻花，禮成，茶會而散。

教育司唐露曉於致詞中指出：成功之學業絕非保證一生事業之成功，而學業之失敗，亦非一生事業之失敗。唐氏又指出：過於著重考試，可能引致忽視兒童心靈上其他天生條件之培育，吾等之知識，固由書籍及教師方面獲得；惟同時亦與他人和洽工作中獲得者。以下為其講詞全文：

## 教育司唐露曉指出

### 過度重視考試有危險性存在

可能引致忽視對兒童心靈上其他天生條件之培育

校長，岑先生，岑夫人，各位教師，各位同學，各位男女嘉賓：本人欣逢盛會，至感欣幸，內子因事未克到臨，本人深致歉意。茲幸承岑夫人允頒發免費學額及獎品，本席深致謝意。余知與岑先生及岑夫人相識多年，岑先生對舊生會之熱心服務，余知之甚稔。本人今夕叨陪末席，與有榮焉。余對於英皇書院並不陌生，但此為本席首次參加英皇書院頒獎典禮，余對此大參與盛會，至感欣悅，因上兩次頒獎盛會以事未克參加。

優良之童軍活動與愛丁堡獎品計劃外，其他具有同一目標之一切課外活動，均認為甚有價值。

校長先生曾謂：在校際比賽中，英皇書院得占鰲頭者，僅限於藝術之另一方面，如攝影、音樂、及奕棋是也。貴校長大概因運動一項，學生成就不大，故有感而言。本人對著重運動與遊戲之校風，雖已熟習，然仍以爲其他課外活動，亦具有其重要性而不應予以低估者。學校之週年報告，座中諸位諒已手執一卷，由該報告中，各位可見貴校各種小組活動蓬勃，及其範圍之廣闊。故余以為貴校每一學童，當必能依其旨趣，於其中一二小組從事課外活動。如此，則不但知識與日俱增，且以一組員身份，為一共同目標而工作，其將能有真正之自我表現機會也。

獲得考試及格，對學童及家長二者而言，俱極重要，此余深切了解。蓋考試實似乎學童生活中之里程碑，惟其中亦有危險性存在，吾等身負教育年青一輩之責者，必須時刻警惕於心。余所指之所謂危險性，乃為過於著重考試，可能引致忽視對兒童心靈上其他天生條件之培育。吾等之知識固由書籍及教師方面獲得，惟同時亦由與他人和洽工作中獲得者。余深知在英皇書院中，各類學習之方式，俱能融會發展，甚感欣慰。

具有上述條件之學校，必為一快樂之學府，而畢業於該校之學生，雖久已離校謀生，成為社會之一員，然亦必對母校感懷不已；英皇舊生會之健全組織，實足以證明英皇舊生對母校之懷念也。今夕在座聆聽本人演說之各同學，不日亦將成為貴校之舊生，余寄望各位將加入該會為一熱心份子。

余值此盛會恭賀各位同學、家長、及教師服務本校學習生活方式之精神，並謹祝英皇書院前程無限。

### K.C.O.B.A. Primary School

The K.C.O.B.A. Primary School which was inaugurated in September, 1960 was now in its 4th year of development. It was still having Mr. Shum Choi Sang, President of the Association, as the Chairman of its Board of Directors and Mr. Edmund Y. M. Sun as its Supervisor. Its three sessions (morning, afternoon and night) which were staffed by 15 masters and 30 mistresses provided education for 1,462 school children. The curriculum offered was that of an ordinary Government primary school, that is, it taught subjects such as Chinese, English, Arithmetic, Social Studies, Nature Study, General Knowledge, Health Education, Art, Handwork, Music and Physical Education. Ranging from Primary 1 to Primary 6, the

1964  
A. M. School and the P. M. School had 12 classes each and the Night School 11 classes. Of the 540 pupils studying in the first-named, 358 were boys and 182 were girls; of the 529 in the second-named, 306 boys and 223 girls; and of the 393 in the last-named, 125 boys and 268 girls. In the course of the year each of the three sessions was granted a quota of Primary 6 pupils to the Secondary School Entrance Examination — 51 for the A. M. School, 87 for the P. M. School and 23 for the Night School. The first two did very well in the Examination: 36 and 72 pupils gained promotion to Form 1 respectively, while the last one, because of the shorter lesson hours offered, was less fortunate — only one candidate succeeded in doing so. Besides, one of the P. M. School boys won a special Government Scholarship tenable for 5 years.

### Sports

The double-site bathing pavilion of the Association at Stanley was, as usual, open for use to members and their families during the hot summer months.

There is an indoor badminton court in King's College. With the kind permission of the Principal, it was available for use to members of the Associations for two nights (Tuesday and Friday nights) every week. The times for playing were arranged by the Convener of the Sports subcommittee.

### Social Functions

When the school year in 1963 was coming to an end and pupils of Upper and Lower Form 6 and Form 5 of King's College were about to leave school either to earn their own living or to pursue a higher course of studies, a meeting between them and members of your Committee as well as a number of other Old Boys was arranged by the Association at a tea party held at the College Hall on July 19th. The party was more than an ordinary social function; it aimed at fulfilling another task, that of advising K. C. Old Boys of the younger generation as regards the kind of career they would like to take up. Consequently, members of the General Committee and Old Boys from the Association divided themselves up into groups according to their professions and answered as best as they could questions put to them concerning their respective professions such as doctors, engineers, lawyers, teachers, journalists, etc. The party was well attended and the meeting between the two was extremely pleasant.

The Annual Dinner for the year was held at the Ying King restaurant, 179, Johnston Road on the night of 29th February, 1964. The whole first floor of the restaurant which was reserved for the party was filled to capacity. Entertainment for the night was provided by the Blue Star Orchestra and Miss Anita Quiletorio, a talented vocalist. Besides, persons turning up for the party were thrilled by the demonstration of a well known Yoga instructor. Among the guests present were Mr. and Mrs. W. D. Gregg, Director of Education, and Mr. and Mrs. G. S. Coxhead, Principal of King's College. As was usual for such a party there was a lucky draw. In the party a large number of post-war Old Boys and pupils of King's College could be seen. This was a healthy sign, since it indicated that more and more of them had begun to take an interest in the activities of the Association.

Mediterranean was a pool of safety until Italy came in on the side of the enemy. So tight, though, had security precautions been that no one at this end expected the new recruit on that well-remembered 15th of January, 1940. But the Director, Mr. C. G. Sollis, was not put out by my sudden appearance; surprises were common in war-time, and graver ones were in store for us.

The day after my arrival I reported for duty to Mr. H. G. Wallington, who had taken over as Principal of King's College a year earlier. Within two weeks I was sworn-in as a member of the Volunteers, and given the rank of gunner which kept me company for the next six years. My life was divided between teaching and military training, while the storm-clouds blew nearer and nearer. . . .

In 1937 the Sino-Japanese War had broken out, and a year later Canton had fallen. Our first big jolt had come with the sight of Japanese troops on the other side of the border. But there they had remained. As the months grew into years, the average citizen put his fears on the shelf. In 1940 families were evacuated, but bachelor parties became gayer, the yarns told at them more improbable. The moment of rude awakening was on the way.

It came when enemy planes swooped out of a clear dawn sky and destroyed our tiny air force at Kai Tak: the date was the 8th of December, 1941. All at once civilians became soldiers, fighting side-by-side with regulars in a desperate attempt to stop the seemingly endless hordes of the advancing enemy. Men who had spent their days in schools and offices were now spending days and nights skirmishing on Mount Parker, or range-taking for the big guns on Stanley Peninsula. Resistance was stubborn in the face of hopeless odds, and many a gallant stand helped to thwart Tokyo's prediction of a seven-day victory. But the inevitable result came, when the Union Jack was lowered over Government House on Christmas Day, 1941. The short Hong Kong war was over. Although it had lasted only seventeen days, fighting had been fierce and volunteer casualties heavy. The Education Department itself had lost several members, and still more fell victim to malnutrition and other ills of the prison camp. For those who, like myself, were lucky enough to keep life and health, times were hard but the joyful days of freedom lay ahead. Now, when I look back on those years, my only regret is for the many friends who did not live to share the fruits of victory.

With the coming of peace there began the difficult period of reconstruction. It was a time when much of Hong Kong lay in ruins. Among them was the looted shell of King's College, which had survived the war intact only to be destroyed in the catastrophic fortnight before British rule came back. The damage was not only material. It was a sad fact that many children had grown up without education; the average school age was far too high. It took most of a decade for things to return to normal. But return they did, and today it is safe to say that our education stands better than ever before.

In the late '40's I would drive past the empty frame of the school and wonder when it would again be populated with students and teachers. But, for the time being, my fortunes were bound up with our sister school

Queen's, for which I was busy planning a geography room. This project and many others became fact when, in 1950, the school moved into its present beautiful building at Causeway Bay. Everything one touched was straight from the makers, except for one object which had made news when it was found in the rubble of the old building. This was the marble bust of Dr. Bateson Wright, and with due ceremony he was set up on a pillar in the entrance hall. And there you can see him now, his keen eye ever searching for signs that the prestige of the school he ruled so long is being upheld. Yes, it was exciting to be on the first staff of the "Old Lady of Aberdeen Street" in her new home. At the same time King's, built up again to a modest two storeys, opened its doors as a primary school. There were no headlines, but this also was an important new beginning. (964

Coming back from leave, I found myself "in the office". It was a change to be administering the grant code, and another — closer to my well-trodden path — to be the first inspector of geography. For six years my journeys, taking me to innumerable schools, had a nomadic character which might well appeal to a geographer. Then came my acting appointment here and in September, 1960 I took over from my predecessor, Mr. C. W. Sargison. A circuit, begun twenty years earlier, was completed.

And so the Principal is brought back to the part which he has carried, on-stage and off, for six years out of the twenty-five. What a lively part it has proved, so full of impromptu happenings, new interests, amusing people — yes, you yourselves! Playing it has its trickier moments now and then, and Peter Quince's simple instruction to roar has to be treated with some reserve. Mercifully, many an awkward corner is turned by invoking that talented improviser, "Bully Bottom": the tone of the roar is made flexible, to suit the lion and the nightingale. All in all, the Principal's part is an enviable one, marked by its rich rewards. But his chosen title is far too ambitious, for who on earth will back him for a *second* twenty-five? Be that as it may, he will be happy to continue, while time allows, to "roar you as gently as any sucking dove". He is not afraid of the reception, as you must have got well used to the strange mixture of sounds long before this.

G. S. C.

The moonlight shines over the foliage and the flourishing scrubs on the higher ground cast irregular and zebra-like shadows, angular as shades of ghosts while the scattered, comely shadows of bending willow trees do not look like something painted on the lotus leaves. The moonlight in the pond is by no means even, but the light and shadows blend with melodious harmony, like sweet classical music played on violin.

Around the lotus pond, here and there, high and low, are trees, mostly willow trees. These trees circumscribe the lotus pond: only on the side of the path leaving several gaps, as if left there particularly for the moonlight. The appearance of the trees is generally gloomy, glancing at it, like a mass of fog; but the elegance of the willow trees can be distinguished even in the fog. Above the tree tops are series of far-away hills, but because of the distance, one will only get a faint view. From the chinks of the trees, there ooze out one or two listless lights from the street lamps, which look like the eyes of a sleepy man. At this time, the most noisy things are the chirps of the cicadas on the trees and the croak of frogs in the water; but this bustling atmosphere is exclusively theirs, while on my path, I have nothing what-so-ever.

### THE FIRST TWENTY-FIVE

Snug the Joiner

Have you the lion's part written? pray you, if it be, give it me, for I am slow of study.

Peter Quince

You may do it extempore, for it is nothing but roaring.

### A Midsummer Night's Dream

Shakespeare's lion has none of the ferocity of his species. On the contrary, "a very gentle beast, and of a good conscience", his one concern is to muffle his mighty voice to avoid frightening the ladies. It is this writer's hope that, like the lion's, the Principal's part can find room for the softer modes of expression, to tone down his roaring. Certainly a great deal of that part has to be played extempore, for the Principal seldom knows, from one moment to the next, who will knock on his study door or what they will want. It is always a call for prompt attention, but — happily — not always in the province of the lion.

Twenty-five years is a long time in prospect. In retrospect, it seems to have flashed past with the speed of a rocket soaring skywards from Cape Kennedy. But such people as astronauts were no more than a vague conjecture at the time I first came here early in 1940.

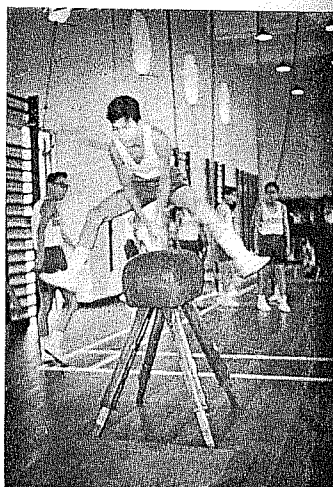

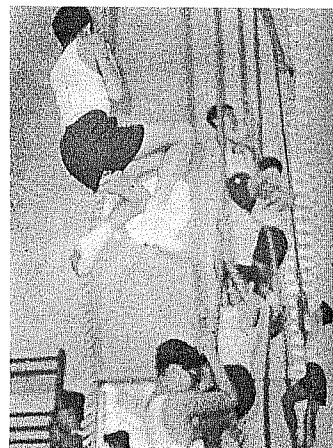

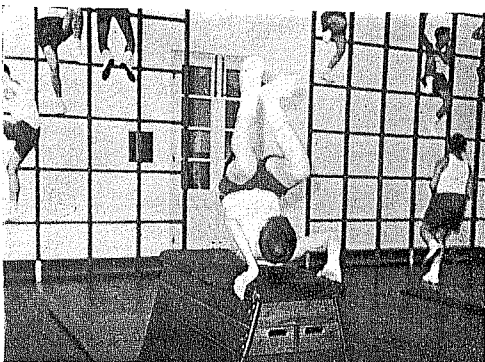

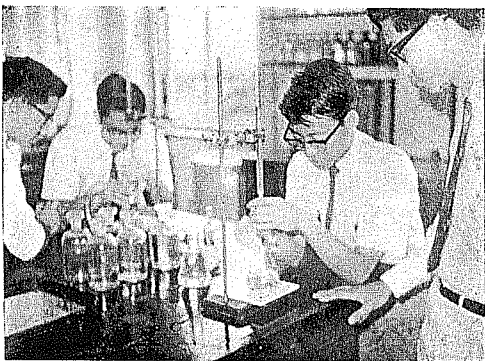

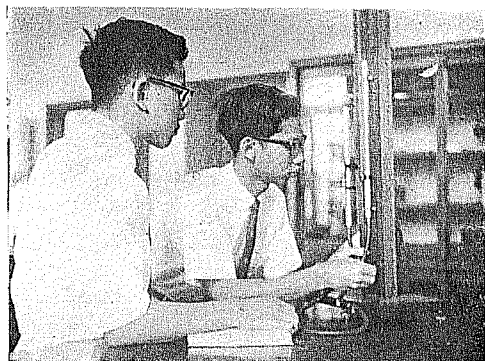

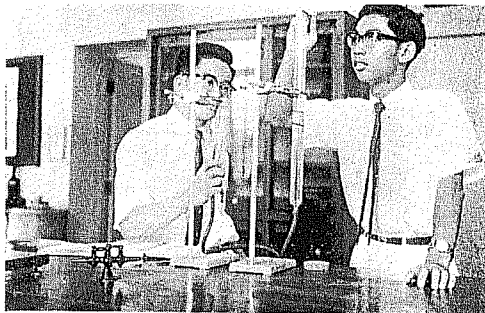

My appointment had been made six months earlier, but before I could leave Britain World War II had broken out in the West. Sea-passages

were scarce, and while waiting for one I became an air-raid warden in my village, Chalfont St. Peter. One of my duties was to ensure that everyone had a gas mask and knew how to use it; the gas attacks of World War I were still fresh in memory. The war was several years over before the armed forces withdrew these ugly contraptions as obsolete. Why did they do so? One reason could be that the wind, always unpredictable, may suddenly change and waft all the gas back to the originator. A more cynical view is that we approve of blowing up our brother with high explosives, but cannot tolerate his extinction by poison or radio-active fallout. Can we find here a promising theme for the Debating Society?

Steel helmets and sand-bags were left behind when an urgent message came from Loughborough College School, where I had taught for the summer term of 1939. Several of the staff had been called up — could I fill a gap of only two or three weeks? It was while I was there that my passage to Hong Kong came through on the "Stratheden", one of the newest and fastest P. & O. ships. Speedier than enemy submarines she was unescorted, but the voyage had its exciting moments. On the second day out, somewhere in "The Bay", passengers watched the sun set on the wrong side while the captain pitted his wits against an unseen marauder beneath the waves. Landfall at Gibraltar spelt home, because the

## Sports Clubs

### Tennis Club

Tennis practice was held in the Victoria Park tennis courts as regularly as possible. The Club faces a difficult time ahead owing to the heavy pressure on public courts. At the moment there are eleven members.

### Badminton Club

A rapidly growing club with about fifty members — twice as many as in previous year. More racquets were purchased to be loaned to members. All members found sufficient time for practice and play.

During the year several friendly matches were played with the badminton teams of other schools.

## Chess Club

Meetings for practice have been held regularly, and several courses of lectures arranged for players of different grades. Their beneficial effect is evident in the results quoted below: (964

## K.C.O.B.A.

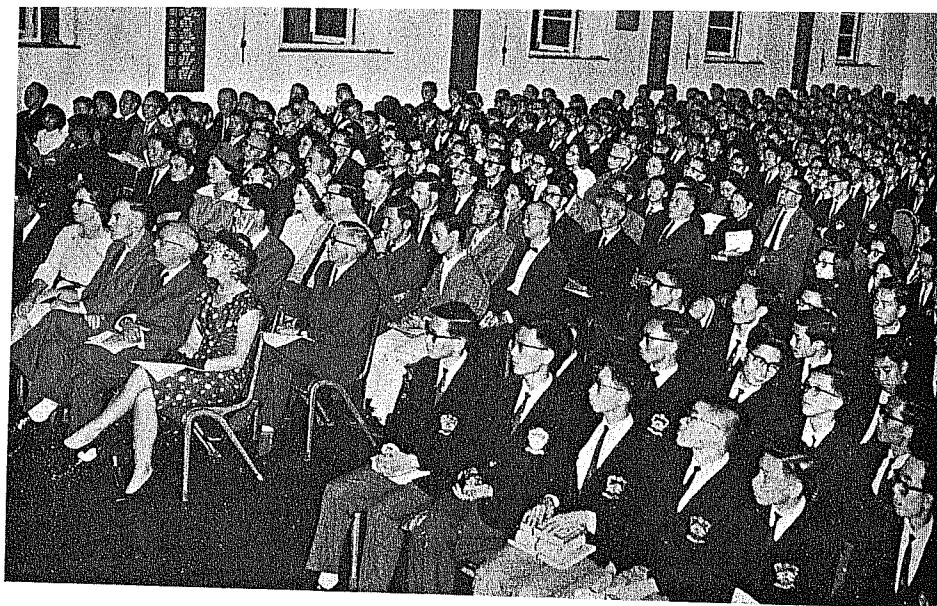

The Annual Report, besides portraying an active year for the Association, brings to light one highly gratifying factor: there are, among the members, many post-war Old Boys of the College. This is the result of the Association's assiduous efforts to absorb fresh blood, a policy reflected in the membership figures. Membership for the year stands at 550. The influx of post-war ex-students now far exceeds that of the pre-war group.

During the year the Association lost its club house, which had stood it in good stead for almost a decade. Until suitable alternative accommodation can be found, the correspondence address is: K.C.O.B.A. Primary School, 58 Bridges Street, Hong Kong.

The double-site bathing pavilion at Stanley Beach is an excellent means of recreation, and is open for the use of all members and their families throughout the summer season.

Among the many social functions held, pride of place must go to the party given for Form 6 and Form 5 of the College soon after the close of the summer term. At this party committee members offered, according to their special abilities, advice to small groups of students on professional or business careers.

The Primary School, now beginning its fourth year in the new building at Bridges Street, operates in 3 sessions with 45 teachers and 1,511 pupils (boys predominate, but not overwhelmingly). Mr. K. I. Wong continues Headmaster of the P.M. Session, and Miss S. M. Cheng Headmistress of both the A.M. and the Evening Sessions. At the Annual Speech Day, held on 20th November, 1962, Mr. G. P. Ferguson was the guest-speaker. A former teacher of the College, Mr. Ferguson is the Adviser to Hong Kong Students in the United Kingdom. In this capacity he keeps in close touch with us and our educational problems.

### SPEECH DAY

*The then Director of Education The Hon. P. Donohue, shaking hands with Lee Lok Ming, our Head Prefect.*

### SPEECH DAY

*Mrs. Shum giving away the Prizes.*

#### Photographic Club

Talks on various photographic topics have been arranged regularly throughout the session.

The 8th Hong Kong Students' Photographic Contest was again sponsored by our Club. We received a large number of entries, in spite of the fact that the competition was held late in the session. Five well-known local photographers were invited as judges and their comment on the standard of the entries was favourable. Our photographers Luk Kong and Lee Mow Chiu were placed first and second respectively in the Black-and-White Section. Mrs. P. R. Halliwell gave away the prizes at a ceremony on 29th April, 1963.

A team of photographers from our members in Form IV undertook a photographic record during the Camp School in Tsuen Wan. Their work was exhibited during the Open Day.

#### Debating Society

The Debating Society, re-formed at the beginning of the year, held ten debates. Some debates concerned school life; the society declared itself whole-heartedly in favour of co-education and in favour of a liberal education — a theme suggested by Professor Blunden's address to the School last Speech Day. Surprisingly, perhaps, the Society opposed the abolition of detention in school. More general topics included the advantages and disadvantages of living in the twentieth century and the goodness of human nature.

Members of the 5th Form were well rewarded for attendance at one debate on the value of sending rockets to the moon when this very same topic appeared on their School Certificate English Essay paper some months later. Although we regret we cannot guarantee this to happen again, we look forward to a continued growth of this now flourishing Society.

#### Handicraft Club

The existence of a woodwork room, dating from the time when we were a primary school, has long been a challenge to us. This club, instituted in February, 1963 is a partial answer; the room, being too small for class work, is ideal for club projects. A staff adviser with expert knowledge in this field has made possible the remarkable progress of a few months. A relief-model of Tsuen Wan is one of the club's accomplishments.

An ambitious programme, launching out into several crafts, is planned.

#### St. John Ambulance Society

~~This group, like the preceding, was founded in February, 1963.~~ Its activities come under two headings: training in First Aid and attendance duty with a roster. The duty hours cover those periods of the day when accidents are most likely to occur on the playground.

#### Science Society

Inaugurated in February, the new society has made several works visits, and has had an excursion to the Peak to practise field use of the barometer. An active future is anticipated.

#### Religious Societies

The Christian Fellowship held two Bible-study groups, which met weekly during the lunch-break. The senior group was under the guidance of Mr. K. C. Chue, while Miss R. Chiu took care of the juniors. A joint Christmas Service was held with three other schools, and the Easter Holiday picnic at the Children's Garden, Wu Kai Sha, was a great success.

The Catholic Society worked hard to promote its two-fold object: to promote friendship among the Catholics in the school and to provide opportunities for them to take part in religious discussions.

A quiz contest on the topic "The Holy Mass" was held on 5th December, and our team took first place.

The Society attended the annual Christmas tea-party at St. Paul's Convent School, an occasion as festive as it was colourful.

#### Fifth Hong Kong Scout Group

Prince of Wales Trek Camp Competition (November, 1962):

Our Troop, having come first in the combined Victoria City and Western District Competition, represented these two districts and in the final competition were runners-up to the 1st Hong Kong Group by a very close margin. This was a big improvement on last year's performance.

Combined District Lightweight Competition (April and August):

Taking second place in the earlier contest (cooking), the patrol sent to the later event (pioneering) won it outright.

Camping:

Many camps have been attended. In the Combined District Camping Competition held at Tate's Pass in August, 1963, we were placed third.

Public Service:

Senior or Junior Scouts have been seen doing duty on all school occasions, and in addition have served at the Old Boys' Primary School Speech Day and other outside functions.

Individual Success:

Chan Ming Kui, our Troop Leader, was awarded in March the Scout Cord, highest prize in the Scout Section.

#### Duke of Edinburgh's Award Scheme

The School has been invited to participate in this Scheme, which has as its object the training of boys to make good use of their leisure hours. A course was initiated for that purpose in February.

Twelve boys were selected, and regular weekly meetings and occasional out-door trainings arranged with a view to train the boys in such skills as map-reading, first aid, the cultivation of physical fitness, and camping. So far, they have been successful in passing three sections out of four required by their syllabus, and it is hoped that they will attain their Bronze Award at the end of November, this year.

#### The Camp School

King's College Camp School, held at Survey Camp No. 1, Sheung Kwai Chung, represented a new departure for the school. Here, for four days, 10 teachers and 40 pupils from Form 4 carried out an interesting experiment which aimed at completing a serious piece of study and at the same time giving the pupils some experience of "community-living".

The major project was "Tsuen Wan — A Study in Microgeography". For this the pupils were divided into four groups, each with a specific topic to study. These were A — Topography of the Area; B — Vegetation of the Area; C — Land Utilisation in the Area; D — Industrial Development in the Area. To carry out their work, the pupils attended lessons in the morning given by the teachers staying

1962-63	-	-	-	-	-	-	4	5	28
1963-64	-	-	-	-	-	-	4	5	28

For the second year there are 28 classes and 26 classrooms. It has been arranged that the two non-domiciled classes do not comprise the same pupils as those who suffered this fate last year.

### Curriculum and Syllabus

The course of study from Form 1 to Form 5, the School Certificate year, includes all the normal school subjects, namely: English Language and Literature, Chinese Language, Chinese Literature and History, Translation, Oral Kuo Yu, Geography, History, Civics, Pure Mathematics, Physics, Chemistry, Biology, Art, Music and Physical Education. The three branches of Science are taught separately throughout the school.

The Science Lower 6 two classes have studied English Language, Chinese Language, Translation, Geography, Mathematics, Physics, Chemistry and Biology. The two classes of the Upper 6 followed courses leading to the advanced level subjects required for entry to the Science and Medical Faculties of Hong Kong University.

A class of Arts Lower Six has been opened for the current school year, a fact worthy of note although it does not come within the purview of this Report.

The syllabuses of all subjects taught in the school were completely revised, and a new syllabus of Mathematics, Forms 1 to 3, was introduced.

### Student Teachers

3 student teachers from the Hong Kong University and 6 from the Northcote Training College observed lessons and did their practice teaching in this school during the year. They were treated as temporary members of staff and helped the school not only by way of classroom teaching, but in extra-curricular activities as well.

### Library

The School Library is always the centre of our student activities during the lunch hour. To avoid over-congestion in the library, the admission dates for various forms have been staggered. The result is quieter and more comfortable reading in the library.

Many new books have been added to our library, requiring the addition of several new shelves.

The borrowing procedure has been revised so as to ensure that every book taken out from the library has been properly loaned. The aim is to give our pupils a good training in library behaviour while they are in the school, looking to the years ahead.

The number of books on accession in September, 1963 was 18,171.

### The School Magazine

The school magazine, "The Fig Tree", continues to be an excellent record of the school year. It also offers children their first opportunity to "see themselves in print". No pupil should go through his school life without attempting to get at least one piece of original writing published. Unfortunately costs have risen, limiting the amount that can be accepted, and this year necessitating a rise in the cost of the magazine. But the many replies received, some of them from overseas, show the project to be fully worth the effort and expense.

## Societies and Clubs

### Geography Society

The year has been an active one for the Society, with several lectures, film-shows, and a number of excursions some of which have taken the members farther afield than hitherto. Noteworthy were a trip to the Ma On Shan Iron Mine and a day spent on the study of coastal formation at Cheung Chau. Middle form members visited the Royal Observatory, and those from Form 1 did an elementary survey of the Botanical Gardens. Work in the geography room was not neglected, two members constructing a relief-model of Hong Kong Island.

Many members took part in the Camp School held at Tsuen Wan, whose main project was geographical.

### Biology Circle and Gardening Club

It has been a year of exceptional activity, with a run of films, senior and junior, and a number of field trips. The latter have covered a wide range of localities and subjects for study: for example, pond life at Cape D'Aguilar and seaweeds at Stanley. Fermentation was seen in action at the Ka Wa Distillery, Aberdeen.

At the school camp in April, the Circle made a detailed study of the vegetation of Tsuen Wan.

Seasonal flowers have, as before, been grown from seed by the members of the Club.

### Music

The school entered in 2 Choir items, 2 Choral Speaking items, 2 Harmonica Band and Ensemble items, and 53 pupils performed in 12 different individual items of the Music Festival. The results are as follows:

- First Place: 1. Boys' Forms V and VI Choral Speaking;  
2. Vocal Solos; Tenor;  
3. Senior Boys' Solo Prose-Speaking in Chinese;  
4. Senior Boys' Solo Verse-Speaking in Chinese.
- Second Place: 1. Boys' Forms V and VI Solo Verse Speaking;  
2. Senior Challenge Class, Boys' Choir (Joint Second Place);  
3. Senior Boys's Solo Verse-Speaking in Chinese (2 Joint Second Places);  
4. Senior Boys' Prose-Speaking in Chinese;  
5. Solo Verse-Speaking — Finals — Chinese Elocution.
- Third Place: 1. Intermediate Boys Choral Speaking;  
2. Harmonica Band.

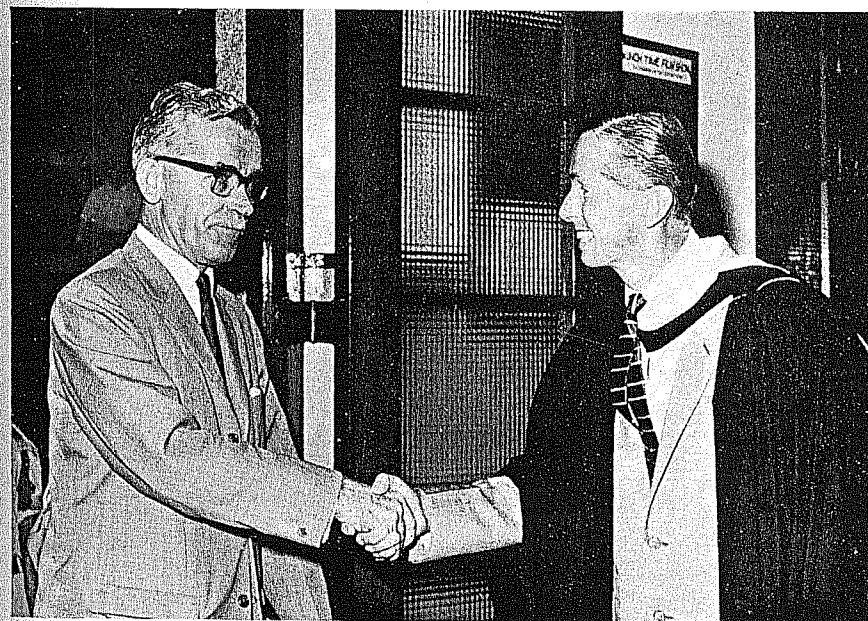

30 Certificates of Merit in 8 different items.

### Art Club

"Observe more, and practise a lot." This counsel by the Club Adviser has been taken seriously, so that the regular outdoor sketching parties have been well attended.

Among the Club's activities may be mentioned lectures, some by the Adviser and some by the Inspector of Art, Mr. M. F. Griffith; and visits to art exhibitions, notably those held at the City Hall. Among the latter, the Exhibition of Children's Art from Britain was perhaps the most popular.

The Principal, Mr. G. S. Coxhead, returned from home leave in September, a few days before the opening of the school year. In this picture he is seen greeting The Hon. Peter Donohue, Director of Education, our guest-speaker on the occasion of Speech Day, 22nd November, 1963. It was one of Mr. Donohue's last public appearances before his retirement.

## 運動團體

網球會

該會向大多學生要求，於一九六二年十月成立，有會員二十五人，其中僅三人為初學者。蒙香港大學體育主任特治先生允許，吾人得於每星期三午後借用該大學網球場。本校網球會亦於每星期二晨早，由余子勤先生領導，到維多利亞公園練習。本校尚未派出選手參加校際網球競賽，然吾人水準日漸增進，希望本年內即能參加。

羽毛球會

雖為一新球會，但成長甚速。本校供給場地、球網及球拍。會員則繳交會費並購羽毛球。

年內該會羽毛球隊會與其他學校羽毛球隊作數場友誼賽。

## 英皇舊生會

會員：登記者總達五三一名。為便利本校在校學生加入該會起見，特制定一新會員資格，稱學生會員。迄今已有三十一名男生加入，惟仍需更大努力以期獲得更多此類會員之擁護，藉以引進新份子入該會。

英皇舊生會小學：自一九六〇年九月開辦以來，校務蒸蒸日上。本年該小學有教師四十七位，學生一千五百三十名。十七名學生參加上年度升中入學試獲升中學。該小學畢業禮於一九六二年四月十七日星期二舉行，並敦請前總視學官麥禮倫先生致詞焉。

為鼓勵科學學習起見，吾人曾定購大量物理學、化學、生物學、天文學、地理學、地質學及數學新書。雖文科書籍之補充需求未殷，然亦未嘗有所忽畧也。吾人圖書館之最特出者，厥為一大批精美藝術及有關之藏書。

### 校刊

本校校刊第二期備受歡迎，其主因蓋插圖之品質優異故也。於此，吾人陣容強盛之學生攝影員為一有力幫助：所有團體照片皆由彼等攝取。然亦非所有之照片插圖盡是本校稿件，其中包括有所主辦之校際攝影比賽之優勝照片，蓋此為吾人之習慣也。校刊為學校生活之最佳年鑑，但亦足以顯露茁壯中之文學天才。就學生稿件而言，本校校刊第二期已達乎水準矣。

### 常識問答

電視影迷會觀另一連串之校際常識問題比賽，並發現我隊隨時道出（絕大部份）所需答案。惟最後一局，吾人「目前常識」獲證僅拔萃女書院隊者。是以吾人迫於再次屈居亞軍，而本年學生常發覺在圖書館內勤於默記百科全書。

### 社團活動

#### 中文學會

此新學會向大多數高年級學生請求，於學年初成立，現今會務蒸蒸日上。該會經常舉行集會，並恭請知名學者蒞臨主講。

#### 地理學會

該會共有五次旅行：高級會員往馬屎洲、城門峽及長洲；初級會員則往山頂及薄扶林瀝水也。該會亦會編排五次參觀：二往天文堂，一往牛奶公司冰廠，並一往太古船塢。

該會攝影員亦曾於攝影比賽中獲獎。各級隊等照片，並為畢業典禮、週年陸運會籌取記錄片。一九六二年三月間舉行之第七屆學生攝影比賽係由該會主辦。本港五位名攝影家擔任評判，司徒安活醫生夫人頒發獎品。六十三間學校及專上學院參加，本校榮獲三獎及五銅章獎，其中三個為彩色幻燈影片獎者。是項參加比賽照片悉在本校禮堂展出三天。

個人成績：該會高級組攝影員之一李懋暢君，入選香港攝影學會國際沙龍攝影比賽，並得星島晚報主辦之第七屆攝影比賽冠軍。

林連惠君則在「德臣西報」主辦之攝影比賽中，獲一獎品及二優異獎。

該會教師顧問黃兆根先生膺選為皇家攝影學會會員，黃先生有照片三幀，幻燈片兩幀入選香港攝影學會國際攝影沙龍比賽，並獲銅章獎一。

黃先生現任職視學處視覺教育組。

### 音樂

#### 音樂節

吾人獲相當滿意之成績，其中包括冠列下表之二精美獎品：冠軍獎，中級男聲合唱團：關美實杯冠軍獎，口琴大合奏：雪莉獎盾

亞軍獎三 季軍獎四 獎狀十五  
十年內，吾人持有一「關美實杯」共達七次。口琴隊以一分之差，重陷上年毫釐三失，屈居第二。

個人及全體詩歌朗誦俱努力練習，結果獲獎狀多紙，其中有為初次代表學校參加之女生所獲得者。

#### 唱片欣賞會

本校有一現代化之唱片貯藏室，並已組織一唱片欣賞會，每週均有集會舉行，證明甚得學生普遍喜愛。

「香港之農業」，由農林部黃成達先生主講，並有幻燈片幫助瞭解。

至該會會員之傑作，則有英皇書院校舍模型之重建，與香港九龍地理模型之製造。此二實體模型於開放日展出，獲廣大注目。此外，更為會員放映多套有趣地理影片。所有該會年來舉行之活動，均獲高、初級會員熱烈擁護。

### 美術會

該會今年甚為活躍，其重要大事列述如下：

①戶外寫生：在春季時，該會屢為會員安排，到郊外勝地，城中間市，作多次靜動物戶外寫生。

②電影：年中放映有關名畫家之影片達十部以上，觀者甚為擁擠。

③藝術展覽：本校開放日所展出作品琳瑯滿目，包括：鑲嵌壁畫、圖案、紙工、圖畫及水彩畫。

④藝展觀賞：該會會員當數在星期六早上到大會堂及其他地方參觀藝術作品展覽。

### 攝影會

會員人數顯著增加，由前年一一〇名多至一二九名。該會黑房頗盡其用，每週均為會員訂使，鮮有閒置。顧問黃兆根先生為英國皇家攝影學會會員，嘗作黑房技術講述及示範凡十五次。

該會曾舉辦六位香港攝影名家傑作展覽：其中兩幀彩色照片為鄔圻厚醫生及張汝超先生者；四幀黑白照片為司徒安活醫生、何藩先生、黃兆根先生及陳世源醫生者。

鄧先生曾演講彩色攝影法，聽眾咸得其益。該會年中戶外活動有三。其中最成功者為星島晚報所主辦大埔攝影，顧問黃兆根先生並二十名會員參加。

攝影集會亦不下二次：一在校內，許素珊女士為模特兒；另一則與香港大學攝影學會聯合主辦。

### 童軍（香港第五旅）

#### 集會

深資童軍在每星期二下午，經常有集會舉行。

#### 戶外活動

深資童軍與童軍俱享有每月最少一次外出，及每季一次露營之機會。

#### 專章及訓練

深資童軍：五名合格救護章試。

四名合格救生員章試。

三名合格露營章試。

童軍：六名合格二級試。

二名合格露營章試。

暑假期中，八名參加英皇舊生會在聖約翰總部舉辦急救訓練。

#### 本港活動

①金禧露營由一九六一年十二月二十七日，至一九六二年一月二日——共有三十五名深資童軍及童軍參加。

②聖佐治日大檢閱，一九六二年四月廿八日——二十四名深資童軍及童軍參加。

③西區童軍聯誼大會。

④西區及中區童軍聯合露營比賽，八月四號至五號。

⑤西區及中區深資童軍旅程露營，八月十一號至十二號。

#### 成績

①在金禧露營中獲營門裝飾第一。獎品由大英聯邦童軍領袖

來，此為第三次獲得優勝矣。吾人於其他校際比賽中成績雖未見輝煌，但積極之訓練實已開始，今後獲得更多勝利，當非無望。本校初次主辦全港校際象棋比賽，是項比賽開辦祇一年耳。吾人去年僅敗於香港大學而屈居亞軍，今年則兼獲團體錦標及個人冠軍矣。

#### 平均年齡：

在本學年開始時，一年級生之平均年齡為十二歲又十月，高級六年級者則為十九歲又七月。雖少數學生因留級而較其他學生為長，但上述平均年齡仍能保持相當穩定。

### 學生人數

下列學生人數顯示一穩固增加：

一九五九年九月	男生九〇四名	女生五名	共九〇九名
一九六〇年九月	男生九五四名	女生六名	共九六〇名
一九六一年九月	男生一〇〇〇名	女生十六名	共一〇一六名
一九六二年九月	男生一〇三〇名	女生廿一名	共一〇五一一名

學生人數之增加，主要係由於油麻地及灣仔官立學校改組，學生轉肄本校低年級所致。此等學生大部份現已升讀會考班矣。女生則係其原讀學校未設理科，乃轉學本校四年級以上各級。此等女生大部份係由庇理羅士女校轉來。

### 考勤及健康

本學年之平均到校人數為百分之九八·四〇。本學年共有兩次學生健康檢查：結果學生健康普遍良好。學生患傳染病者共三人。在霍亂開始流行時，大部份學生均已接受防疫注射。

### 教職員

本年度本校教員名單如下：  
郭世顯先生（校長）

領袖生及副領袖生均由校長親其在品學成績再加面試後委任。擔任此等課外活動之學生，所得益者自較純粹書獃子型者為多。大體而言，領袖生之服務成績皆甚優越。

### 班級編制

去年二十七班中，有一班須巡迴借用課室，實行結果並無不便之處。本年共有二十八班，其中兩班無固定教室，即須巡迴上課者。

### 課程

本校中學一年級至五年級會考班，包括中學一般課程，如：英國語言及文學、中國語言、中國文學及歷史、繙譯、國語、地理、歷史、公民、純數、實數、物理、化學、生物、美術、音樂及體育。理科之三種（生物、物理、化學）全校各級均係分別講授。

由於祇有少數學生選讀文科之故，雖經再三考慮，仍覺開辦文科初級六級預科班殊不經濟。惟本年既有五班五年級會考班之多，則在年底時發現有新結果亦頗有可能。

理科初級六年級所肄讀科目有英文語言、中文語言、繙譯、地理、數學、物理、化學及生物。兩高級二年級則進修考入香港大學理科及醫科所需之各項高級科目。

### 學習興趣

英文為各科中佔時間表節數最多者。本年之改變，厥為新課程標準之編製，並決定提高英語會話之水準，蓋其為全部學習上之最基本者也。

本年內生物學會甚為活躍，經常舉辦集會及旅行。該會並盡量利用小小校園為實驗園地。至於學生對其他各科之興趣，俱見載於各學社之簡報。

### 實習教師

香港大學教育系及羅富國師範學院各有三位學生，在本年內不同時間內，加入本校為臨時教員，藉茲觀摩，並試教中、低年級。

本校會遣送數班三年級生到香港大學教育系，俾該系學生進行教學示範。本校教員亦曾在羅富國師範學院學生聆聽下，講教某些級班。

### 校舍

本學年開始之前，即將原有之狹小辦公室改為會客室，而將教員室之一改為辦公室，另在樓上設一比較寬敞之教員室。故在校舍一項下，吾人謂流動班級勢所不免者，此也。

年內尚有兩班房改為專科教室：一為視覺教學室，一為音樂室。音樂教學之有專室，此尚為初次，此室遠距其他課室，甚合理想。

#### 目下本校之房間配備如次：

禮堂一	美術室一
課室二十六	地理室一
高級實驗室四	視覺教育室一
初級實驗室三	音樂室一
圖書館一	教員室三

### 圖書館

是年圖書館首次在全暑期中盡其任務！此欣悅之發展，實由於週年點存加速進行有以致之。絕大部份學生均善用此便利，故假期閱讀可謂見諸行事矣。

該館新置目錄卡片櫃二具，適於秋季始業前送到，目下共有四具矣。由於學生助理圖書館管理員之努力工作，超過一萬七千本圖書之三組目錄卡片（分科目錄、作者目錄及書名目錄）現已完成。此外，一套中文書籍目錄卡片（亦分三組）亦已完成備用。

## 畢業頒獎典禮

本校一九六二年畢業頒獎典禮，係於是年十一月十六日下午五時半在本校大禮堂舉行，請香港大學白蘭頓教授致詞，其夫人頒發獎品，蒞會嘉賓，有助理教育司羅宗淦，高級教育官麥奇連夫婦，葛量洪師範專科學校校長胡照德，柏立基師範專科學校校長吳廣源，維多利亞工業學校校長譚國榮，皇仁書院校長張經柏，英皇書院同學會會長岑才生，倫敦香港大廈香港學生顧問富嘉新，李福善夫婦，何炳楠及各中外來賓，學生家長等數百人。

典禮開始，首奏英國國歌，大會主席助理教育司羅宗淦致開會詞後，校長郭士熙報告校務，繼請白蘭頓夫人頒發獎品，白蘭頓教授致詞，學生代表致謝詞後，即告禮成，隨由本校歌詠隊表演歌詠，最後，茶會而散。

白蘭頓教授指出「自由教育」之重要性，繼又論及文理兩科應該並重，生命要旨在於多方面之和諧，而吾人對生命之享受亦應多方並重，而不是祇限於一兩方面。

彼又以倫敦泰晤士報為例，論及真正文化，真正之人生趣味，及真正之想像力。

講者讚揚劍橋大學之英皇學院時，指出對於吾人均具有重大意義，並表示其對香港英皇書院之崇仰。

劍橋大學英皇書院成立於一四四六年，香港英皇書院歷史較淺，但發展神速，將近四十年之期間，亦足以表示一種信仰，一全港學生攝影比賽，參加者有六十三校。該會前任導師黃兆根先生獲得英國皇家攝影學會高級會士(F.R.P.S.)之榮譽，實為本校之光。

全港音樂節方面，本校獲得獎狀甚多，平時學生在午膳時間及星期六上午練習甚勤。

學生之課外活動成績甚佳。今年全港校際國際象棋賽，本校榮獲錦標。乒乓球甲組亦自拔萃男校奪得銀杯。游泳方面特請丁格爾先生教授，羽毛球會增設女子組，田徑運動方面由教員數位擔任訓練。校內社際比賽亦甚熱烈，今年起改用新辦法，每週中有

種使命，更足以代表一種前途。

彼又引述名言，指出人類乃高貴之動物。繼論及人類對宇宙之控制正急速增加，紀元二千年時，人類或可與火星人類相會，甚至至在火星相會，希望人類所携帶者，並不是弓箭，而是文化藝術。

校長郭士熙先生報告校務時謂：學生人數現有一千一百，在此頒獎禮時，因禮堂座位關係，低級學生有五班未能參加。

由於校務行政漸趨繁複，今年起增設一助理副校長之職位。現有教職員共四十五人。

目下由一年級至五年級係一般性課程，六年級起則習專門性課程。本校注重理科方面，因學生認為學習理科，對於彼輩之前程較有裨益，又恐改習文科則將轉學他校。

英文方面對英文會話較前注重。又增設「圖書館課」，指導學生選閱圖書。

中文學習方面，亦極注重。自中文學會成立後，學生學習中文之情緒更為提高。

參加校外考試成績：

港大入學（高級組）及格人數百分率	八九·三七
（普通級）五科以上及格者	三十九人
四科以上及格者	六十一人
英文中學會考及格人數百分率	九三·二四

三日舉行比賽，每年則頒發校際比賽優勝獎品二次，以資鼓勵。此外如天主教信徒會及基督教團契兩團體亦頗活躍。除崇拜聚會外，並從事於慈善活動。

童子軍方面之成績極為稱譽。本月威爾斯王子旗旅行露營比賽時榮獲亞軍。

本校舊生會所捐贈之「德士」金牌，獎與全校品學兼優且熱心服務之學生。該會所辦小學定下星期二舉行畢業頒獎禮，敦請富嘉新先生頒獎。

本校教職員一年來甚為辛勤，除教課以外，且於校務行政及課外活動多所協助，茲特表示衷心感謝之意。

## 校務週年報告

## 本校簡介

英皇書院創辦於一九二六年，次年遷至今日之校址。第二次世界大戰時，校舍頗受損壞，自一九四一年十二月起，乃被迫停課。直至一九五〇年九月，本校始重復開辦，成為一擁有四百學童之小學。次年轉為中學，最近南北兩翼經擴建後，全部校舍則又較戰前更為寬宏矣。

本校現為一所政府學校，除中文課程外，全用英語授教。共有學生一千餘名，大部分為中國籍男童。所授課程則以香港英文中學會考、香港大學入學試及倫敦大學普通文憑試之課程標準為目標。

## 校務日記摘要

一年大事：

「土地利用」及「礦物座談會」於一九六一年九月在本校舉

行。是次集會之重要人物為地理學名學者史譚普教授(Prof. I. D. Stamp)。史教授曾與本校教員多人會談，情況親切熱烈。畢業典禮於十一月三十號舉行，並恭請戴維斯教授及其夫人為嘉賓。

本校攝影學會循往年舊例主辦校際攝影比賽，又自三月十六號起，將入選佳作在禮堂一連展覽三天。

本年開放日於四月二十七日舉行。各科成績展覽及理科實驗示範並延展至整個週末。是次能圓滿成功，實由本校員生熱誠有以致之。見諸嘉賓題名錄之參觀者一千五百三十七人，甚多謙遜而不題名者尚不包括在內。

## 運動事項：

十月之週年水運會及十二月之週年陸運會，皆在理想天氣下舉行。本年度之校際乒乓球冠軍杯復為本校獲得。自一九五二年以

by our Principal, Mr. Coxhead. In the same holidays another training camp took place at Deep Water Bay. Later, at Christmas time, a Group Camp was held at the Scouts Camp site at Chai Wan.

In the District we did very well this year. In the Combined District Camping Competition held in summer last year at Tate's Pass Camp site, we were second.

In accordance with the Scout promise "To help other people at all times", we gave a lot of service in the past year. In School there were always Scouts attending in uniform during the important functions, the swimming gala, Speech Day, Sports Day, Open Day and so on. Members were sent to other places on duty also, including the Speech Day of the K.C.O.B.A. primary school, the Hong Kong Products Exhibition, the opening of the Hang Seng Bank and various flag days.

In conclusion, the Troop has had a very successful year. For this we have to thank the encouragement and support from the School and our Principal.

### THE DUKE OF EDINBURGH'S AWARD SCHEME

The Duke of Edinburgh's Award Scheme was initiated by His Royal Highness and launched in 1956 under the direction of Sir John Hunt. It offers to boys between their 14th and 19th birthdays a challenge to endeavour and achievement through a balanced programme of leisure time activities. It is essentially a personal challenge from the Duke of Edinburgh to individual boys, not to compete against other boys but to measure themselves against the standards set for each level of the Award. These standards are within the reach of the average boy provided he makes the effort and sticks to it.

In essence the Scheme is an introduction to purposeful leisure. From it, through new interests and new activities, boys can gain that sense of achievement which comes from meeting a challenge and giving of one's best. It is a Scheme offered to schools, clubs, firms, training establishments and all organisations concerned with youth services. It is designed as a complement to their existing activities and, far from cutting across their curriculum, many are finding in it a new stimulus and a means of co-operation with others in the same field.

In Hong Kong this Scheme is worked under the Operating Committee with Hon. Fung Ping-fan, O.B.E., K. St. J., J.P., as the Chairman, and Mr. G. H. Strokes as Hon. Secretary, having its office at Y.M.C.A., Waterloo Road, Kowloon.

Mr. C. L. Ho, our teacher, took the lead in organizing a course in School to train us to participate in this Scheme. A meeting was held for that purpose on 13th February, 1963 in the Lecture Room at 4.05 p.m. Mr. S. C. Leung and Mr. L. Wong also attended the meeting and kindly consented to help us.

There were some thirty applicants but Mr. Ho said that he could manage twelve only at most this year to start with.

As a result, the following students were selected to become members of the Training Course.

#### Group A

Ho Chung Man (3A) Group Leader  
Ho Kwok Kin (3B)  
Chan Chan Yiu (3C)

To begin with, we are now being trained to pass the Bronze Award in 6 months' time. The syllabus for this award is divided into 4 sections, namely the Rescue and Public Service, the Expedition, the Pursuits and Projects and Physical Fitness. We have to satisfy all the standards set down in each section before we can attain such an award.

We are now having our regular weekly meeting on Friday from 4.05 p.m. to 7.00 p.m. in the Geography Room at School, under the guidance of Mr. C. L. Ho, or other School teachers or people from outside to give us the necessary information and material in connection with the Scheme. From them we learn much practical knowledge which is both interesting and useful and can scarcely be found in books.

We are now trying very hard and are hoping to attain the Bronze Standard within 6 months' time. However, at this stage, there is not much we can report except we are very proud to state that we have passed the most difficult part of our syllabus — The Expedition Test.

Lastly, we should like to take this opportunity to thank Mr. C. L. Ho, Mr. S. C. Leung, and Mr. L. Wong who have been giving us constant guidance and advice, and those who have helped us in one way or the other to render our Course possible.

## FIFTH HONG KONG SCOUT TROOP

### Senior Notes

With the new academic year, the troop has been a revival from the half-dormant state of the previous year. It is now under the leadership of Mr. Frank Wong (S.S.L.) and comprises three patrols, namely Sir Francis Drake, Orde Wingate and Gino Watkins, giving a total of sixteen members.

With the help and encouragement of our scouters, the Court of Honour, formed by all the patrol leaders and seconds in the troop, is now much more independent and its suggestions on the management of the troop are seldom turned down. Patrol meetings also took place more frequently.

The highlight of the past year's events is the Prince of Wales Trek Camp Competition which is a colonial senior scout competition taking place from 9th-11th November, 1962, christened "Operation Waters". Our troop, having come first in the combined Victoria City and Western District Camping Competition during the summer vacation, represented those two districts in it and were runners-up to 1st Hong Kong, losing by a very close margin only.

Another representative patrol went to the troop camp held in Chai Wan during the Christmas holidays. Patrol camps were organized both in the Chinese New Year and Easter holidays. Outings were held to Tsuen Lung, Mount Parker, Chai Wan and Aberdeen.

The troop has also sent one patrol to the Combined District Light-weight Cooking Competition in mid-April, Part I of a two-part competition. We came second this time but we hope to do better in the Part II which will take place in the coming summer vacation.

As for social functions the troop attended a District Senior Scout Ball on 1st December, 1962.

In regard to public services, the troop has been seen on duty during the School's Sports Day, Speech Day and Swimming Gala. It also served in the King's College Old Boys' Association Primary School's Speech Day, the Open Day of the Hang Seng Bank, the St. John's Ambulance Brigade's Annual Parade, the Exhibition of Chinese Products and various other occasions. 1963

Above all, we should like to thank Mr. Wong Lau, our Quarter Master, who renders most valuable assistance to our troop and also the school, especially Mr. Coxhead, our Principal and Mr. Halliwell, our Acting Principal for their kind help and encouragement to the troop.

CHIU WING CHEONG,  
(5A).

### THE SCOUT TROOP

Under our Scoutmaster-in-charge, Mr. Frank Wong, the 5th Hong Kong Group, belonging to the Hong Kong Island West District, is divided into two sections, the Senior Scout Troop and the Scout Troop.

In our Scout Troop there are 27 members. They are under the leadership of our Scoutmaster Mr. Ho Che Leung assisted by two Assistant Scoutmasters, Mr. Ying Pak Ling and Mr. Leung Bon Hon. There are four patrols, Alligator, Buffalo, Bull and Tiger.

During the year the members have gained twenty second class badges, a first class badge and many public service badges. In March this year our Troop Leader having satisfied the necessary requirements was awarded the Scout Cord which is the highest award in the Scout Section.

Besides indoor training at regular meetings in first aid, pioneering, compass and mapping, emergencies etc., the troop has taken part in numerous outdoor activities.

During the last summer holidays, there were various out-door meetings at Deep Water Bay where the members were taught about tracking and enjoyed the swimming.

In October the Troop had an outing to a small hill near Wong Nei Chong Gap. They played games there and had a first-aid practice.

In December a meeting was held at Lai Chi Kok. Members hired boats from the beach and rowed all the way to Tsuen Wan and back. They all enjoyed themselves very much indeed.

Together with the Seniors, in April this year, the Troop attended the most important Rally in scouting — the St. George's Day parade. There our promise was repeated and we were inspected by the Governor the Commissioner of Scouts in Hong Kong.

Camping is a most important part of Scouting. In the Summer holidays we had a Troop Camp at Tai Tam Tuk. There we were visited

To Sau Ying of 5B succeeded in being the runner-up in the Boys' 'B' Singles of the Hong Kong School Badminton Open Championships, 1963. He and his partner, Mak Hang Fung of Form 4C, also won the 2nd place in the Boys' 'B' Doubles of this Championship.

### General

In reviewing the work of the year it is gratifying to note that among the members who jointed the Association between 1962 and 1963 many are post-war Old Boys. The membership of the Association, as you are aware, is made up in the main of pre-war Old Boys, and if this state of things is allowed to go on, it would not be in the best interest of the Association. This is why ever since King's College resumed full operation as a secondary school, the Association has been bending its efforts in the direction of absorbing fresh blood into its being. Now that the ice has been broken, let us hope that more and more post-war Old boys would rally to the support of the Association.

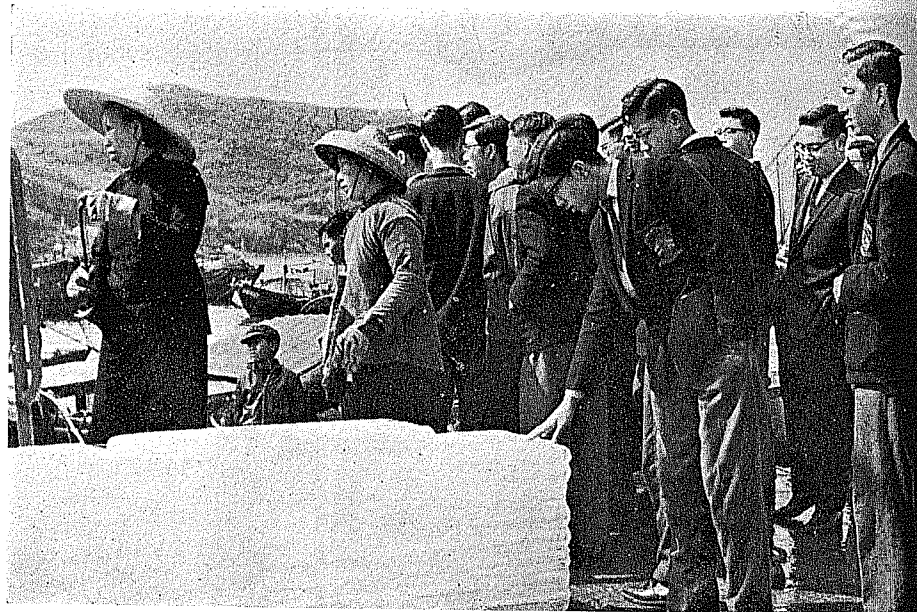

### Membership

The total membership of the Association for the year stands at 550 of whom 42 are life members and 330 are paying members. This represents an increase of 19 over last year's figure. Of the new members who joined the Association in the course of the year post-war Old Boys far outnumber their pre-war counterparts. This is encouraging because it serves to show that more and more post-war Old Boys have begun to take an active interest in the activities of the Association.

*A visit to the Fish Market.*

*Fish Market — Aberdeen.*

King's College camp school at Survey Camp No. I, Sheung Kwai Chung, represented a new departure for the school. Here, for four days, 10 teachers and 40 pupils from Form IV carried out an interesting experiment which aimed at completing a serious piece of study and at the same time giving the pupils some experience of 'company-living'.

The major project was 'Tsuen Wan — a study in Microgeography'. For this the pupils were divided into four groups, each with a specific topic to study. These were A — Topography of the area, B — Vegetation, C — Land Utilisation in the Area, D — Industrial Development in the Area. To carry out their work the pupils attended lessons in the morning given by the teachers staying at the camp and by a number of visiting lecturers including the District Officer of Tsuen Wan, officers from the Department of Agriculture and Forestry, the Education Department, the Water Authority and a member of the Department of Geology and Geography of the University of Hong Kong. The afternoons were devoted to field trips and visits to factories in the area. In the evenings, when the day's work was done, there was time for relaxation in the form of a film show, country-dancing, music appreciation and a concert.

### *Life at Camp.*

#### *Suffering or Enjoyment?*

When we arrived what surprised us most was that the 'camp' was in fact a wooden house with excellent electric and water facilities, and, above all, first-rate toilet facilities. There were altogether three blocks. The first and second blocks consisted of lavatories, bathrooms and kitchens whereas the third consisted of three rooms, or rather four, a dormitory, a recreation room, a staff room and an infinitesimal lady-staff bedroom.

As the camp was not merely for enjoyment but to gather practical knowledge the discipline was rather strict. At 7 o'clock sharp in the morning when your sleep and dreams were sweetest a bell would break the silence urging you to rise. After you had been awakened it would be wise if you dressed in your P. E. uniform at top speed, else, if you were found late, there was a chance you might be washing the lavatory — quite an interesting idea but an unpleasant job.

Still dog-tired we had to take our physical training with everyone struggling and staggering. After thirty minutes suffering we were allowed to get washed except for the duty members who had to clean up the dormitory as well. When everything was done breakfast was ready. You can imagine the speed with which we scoured the dishes and swallowed the oat-porridge until the dish was shining and the bowl was so clean that further washing was unnecessary. In fact we took less than a quarter of the time allowed to finish the eating — to finish up everything.

At 9 o'clock all groups were quite ready for their lessons. These lasted as in school till 4 o'clock in the afternoon with a recess of twenty minutes and one and a half hours for lunch.

From 5 to 6 the bathroom would be fully packed. Although it was rather cold everyone was brave enough to take a cold bath.

- (2) Second out of ten groups in the Combined Districts Scout Camping Competition.
- (3) First out of nine groups in the Combined Districts Senior Trek Camp.
- (4) The Senior troop was selected to represent the Western Island District in the Prince of Wales Camping Competition.

#### Religious Societies

The weekly meetings of the Catholic Society have consisted chiefly of monthly Masses, religious discussions, talks and film shows. A Joint Christmas Party with the Catholic Societies of Queen's College, Belilios Public School and Queen Elizabeth School was held last Christmas in St. Paul's Convent School. Rev. Father Joseph Lee was the Spiritual Director.

The Christian Fellowship reports that in the Annual General Meeting held in the beginning of the school-year, the Constitution of the Fellowship was revised so that it might be more truly representative of the tenor of the Fellowship.

The Fellowship's meetings fell into three categories: the weekly Friday after-school gatherings with invited speakers, the twice-weekly morning prayer-meetings and the twice-weekly lunchtime Bible-study meetings in which St. John's Gospel was studied.

Besides these meetings, there was a Joint Christmas Service with the Queen's College Christian Association and the group also participated in the Commonwealth Youth Sunday Service.

#### Sports and Games

##### Results of Inter-School Contests

###### Table Tennis

Success! "A" Grade won the Cup from Diocesan Boys' School. "B" Grade also put up a good fight and finished 4th in the League.

###### Badminton

"B" Grade for the second year in succession were placed 2nd in the League, which promises well for next year's "A" Grade competition.

### Geography Society

Five excursions were organized by the Society. The senior members went to Ma Tse Chau, Shing Mun Gorge, and Cheung Chau while the junior members went to Victoria Peak and the Pokfulam Filter-Beds.

Four visits were also arranged: two to the Royal Observatory, one to the Dairy Farm Ice Factory, and one to Tai Koo Dockyard.

An illustrated lecture was given by Mr. C. T. Wong of the Department of Agriculture and Factory on "Agriculture of H.K."

The King's College Model was re-constructed and a geological model of H.K. & N.T. was made; both were exhibited at Open Day and attracted a lot of attention. A number of good films of geographical interest were also shown. All activities were keenly pursued by both Senior and Junior members.

### Art Club

The Club was very active this year. Some of the important events are listed below:

- (1) Out-door Sketchings - In the Spring term, quite a number of outings were arranged for the members of the Club, taking members to strategic spots in the outskirts and business centres of the town.
- (2) Film Shows - - - - During the year, more than 10 films of great painters were shown to the students of the school and a good response gained.
- (3) Art Exhibition - - - On the Open Day, a great variety of work was displayed in the school hall, including mosaic panels, designs, paper models, drawings and paintings.
- (4) Art Visits - - - - A series of visits to the City Hall and some other exhibition centres was made on Saturday mornings.

### Photographic Club

Membership showed an even greater increase over the previous record of 110, rising to 129.

Dark room activity was considerable, and the room was fully booked for private sessions each week. 15 demonstrations and lectures on dark-room technique were given by Mr. Wong Shiu Gun, F.R.P.S., the Staff Adviser.

Exhibitions by 6 leading H.K. photographers were held; 2 were of Colour Prints, by Dr. K. H. Wu and Mr. Cheng Yu Chiu; 4 of monochrome by Dr. Onward Szeto, Messrs. Ho Fan and S. G. Wong, and Dr. S. Y. Chen.

A lecture on Colour Photography was given by Mr. S. F. Tang to an appreciative audience.

3 Outings were made, the most successful to Tai Po under the auspices of Sing Tao Man Po. The Staff Adviser and 20 members took part.

2 Camera Sessions were held, one in school when Miss Hewson acted as model, and one in conjunction with the Photographic Society of H.K. University.

Club photographers also provided the picture of forms, teams etc. for the school magazine, and produced a record of Speech Day and Sports Day.

The 7th Annual Students Photographic Contest was sponsored by the Club in March, 1962. Five prominent local photographers acted as judges: Dr. O. Szeto and Mrs. Szeto presented the prizes. 63 schools and colleges took part. K.C. gained 3rd prize and 5 bronze medals, 3 for colour slides. The entries were exhibited in the School Hall for 3 days.

### Individual Success:

Li Mou Cheung, one of our senior photographers, got an acceptance in the H.K.P.S. International Salon, and won first prize in the 7th Annual Photographic Contest sponsored by Sing Tao Man Po.

Lam Lin Wai gained a prize and 2 honourable mentions in a contest sponsored by the 'China Mail'.

Mr. Wong Shiu Gun, Staff Adviser, became a Fellow of the Royal photographic Society. Mr. Wong also had 3 prints and 2 slides accepted in the H.K.P.S. International Salon, and gained a bronze medal. He is now in the Visual Education section of the Inspectorate.

### Music

#### The Musical Festival

A fair measure of successes came our way, including the two handsome trophies which head the list:

- 1st Prize, Intermediate Boys' Choirs: The Maple Quon Challenge Trophy.
- 1st Prize, Harmonica Ensemble: The Sherly Shield.
- 3 Second Places.
- 4 Third Places.
- 15 Merit Certificates.

The Maple Quon Trophy is in our hands for the seventh time in ten years! The Harmonica Band, second by a single mark, repeated the previous year's near-miss.

A great effort was made in both solo and choral verse-speaking and a number of certificates won, some of them by girls who were entering (from the school) for the first time.

#### Gramophone Club and Library

The school has a very up to date gramophone record library and has started a gramophone record club, with weekly meetings. This is proving very popular with the pupils.

#### Gardening Club

The Club was formed in September, 1961 by a small group of pupils of Form 4 with the help and advice of the Biology teachers. Tools were obtained and gardening meetings held weekly.

During the summer vacation, small groups of members returned to school every Wednesday to take care of the garden.

#### Scouts (5th Hong Kong Group)

##### Meetings:

Regular meetings were held on Saturday afternoons for the Senior and Scout Sections.

##### Outdoor Activities:

Both Senior and Scout Sections have an average of at least one outing per month and one camp each season.

##### Badges and Training:

- Seniors: 5 passed the Ambulance Badge Test.
- 4 passed the Life-Saver Badge Test.
- 3 passed the Camp Warden Badge Test.

- Scouts: 6 passed the Second Class Test.
- 2 passed the Camper Badge Test.
- 8 went for First Aid Training organised by the K.C.O.B.A. in the S.J.A.B.

## Sports Clubs

### Tennis Club

The Tennis Club was formed in October, 1961 to meet the request of interested students. There were about twenty five members, all but three of whom were beginners. By kind permission of Mr. J. H. Duthie, we have been able to use one of the University tennis courts every Wednesday evening. The Club also meets every Saturday morning in the Victoria Park, under the supervision of Mr. Paul Yue.

No one from the school has entered the Inter-School Tennis Tournament, but the standard is improving and we hope to take part this year.

### Badminton Club

A new Club, we have found our feet very quickly. The school has provided courts, nets, and several racquets. The members subscribe and pay for the shuttlecocks.

During the year several friendly matches were played with the badminton teams of other schools.

## K.C.O.B.A.

Membership: The register shows a total of 531 members. With a view to admitting present students of the College into the Association, a new kind of membership known as Student Membership has been instituted. So far 31 boys have joined. Greater efforts still need to be made to enlist the support of this category of members, and by this means to bring new blood into the Association.

K.C.O.B.A. Primary School: Since its inauguration in September, 1960, the K.C.O.B.A. Primary School has been progressing smoothly. A total of 47 teachers and 1,530 pupils attended its three sessions. 17 candidates sat and passed the last Secondary Schools Entrance Examination. The Speech Day of the K.C.O.B.A. Primary School was held on Tuesday, 17th April, 1962, when Mr. D. McLellan, formerly Chief Inspector of Schools, was the guest of honour.

The K.C.O.B.A Primary School, though it remains financially independent, is affiliated with the Association. It is having Mr. Shum Choi Sang, president of the Association, serving as chairman of its board of directors and Mr. Edmund Y. M. Sun, vice-president of the Association, as school supervisor. The school which is staffed by 15 male teachers and 30 female teachers has a total enrolment of 1,511 pupils (856 boys and 655 girls) in its three sessions in the current year as compared with 1,530 in the previous one. They are distributed as follows: 368 boys and 172 girls in the morning session; 329 boys and 195 girls in the afternoon session and 159 boys and 288 girls in the evening session. In the year under review Mr. Wong Kwok In remains headmaster of the afternoon session and Miss Cheng Shuk Ming, headmistress of both the morning and evening sessions. In the current Secondary School Entrance Examination the school entered a total of 106 candidates (52 from the afternoon session and 27 each from the morning and evening sessions) of whom 81 succeeded in gaining admission to Form 1 (52 from the afternoon session, 21 from the morning session and 8 from the evening session). The school held its second Annual speech Day on 20th November, 1962 and it was very kind of Mr. G. P. Ferguson, Advisor to Hong Kong Students in the United Kingdom and former master of King's College, to give his consent to give away certificates and prizes. On the night of the Annual Speech Day a dinner party was given by the Association at the Kin Kwok restaurant for the entertainment of Mr. Ferguson.

#### Club House

It is now almost a decade since the Club House moved into its present premises at 4, Stanley Street, 1st floor from 50, Gloucester Road, 3rd floor. Though the present site is not ideal, nevertheless it serves the needs of the Association quite well at its present stage of development. In the course of the year, however, notice was received to the effect that the building would soon be taken back by the landlord for reconstruction. Under such circumstances the incoming General Committee will be confronted with the problem of the removal of the Club House. Should members have any valuable suggestions to make on the subject, they would be welcome.

#### Bathing Pavilion and Sports

The Association is always trying to provide members with means for recreation as far as its resources will permit. It holds a double-site bathing pavilion at Stanley Main Beach under a Government lease renewable on a year to year basis. The pavilion is a cement-concrete structure provided with all the facilities needed by bathers. The place is open for the use of members and their families throughout the summer season.

With the kind permission of the principal of King's College, members of the Association can now, as years before, make use of the college hall for badminton games. The place is open for the use of members twice a week, i.e. on Tuesdays and Fridays between 7.00 p.m. and 9.00 p.m. Members who wish to play badminton there have only to contact the convenor of the Sports sub-committee of the Association to make arrangements.

#### Social Functions

In the course of the year the Association had held a series of social functions. Besides the one mentioned above which was given in honour

of the visit in Hong Kong of Mr. G. P. Ferguson, there were three others: 1963  
one was an informal dinner party held at the Club House on 9th November, 1962, another was a cocktail party given by the General Committee also at the Club House on 1st February, 1963 to celebrate the lunar New Year and still another was a dinner party held at the hall of King's College on the night of 5th January, 1963 on the occasion of the celebration of the 10th anniversary of the reopening of the *alma mater* as a secondary school. In the case of the last-mentioned party an *ad hoc* sub-committee was set up to attend to the necessary preparations. It was headed by Mr. Chiu Kuen Bong and made up of representatives from every post-war graduating class of King's College. There were a large number of persons present at the party, including Mr. P. R. Halliwell, acting principal of King's College, and his staff and officers of the Education Department. A very rich programme of entertainment was provided for the night by both pupils of King's College and boxers from Chung Ho Yin's Gymnasium. Highlight of the programme was a lion dance performed by Mr. Chung Ho Yin and his associates. Before the dance started, the tradition of breathing life into the lion by applying cinnabar to its eyes and also of decorating it with tinsel flowers and a red cordon was carefully observed. The former ceremony was performed by Mr. Halliwell and the latter by Mr. Shum Choi Sang, president of the Association. Raffle tickets were drawn that night and the prizes needed for the occasion were donated by members of the General Committee. Thanks to the prolonged and painstaking efforts of the *ad hoc* sub-committee, the party was quite a success. The unique feature of this party which was also to serve the purpose of the annual reunion dinner of the Association was that the number of post-war Old Boys far exceeded the number of pre-war Old Boys. This was not only unprecedented in the history of the Association but raised the hope that from now on more and more Old Boys of the former category would take part in the activities of the K.C.O.B.A.

#### Finance

As is evidenced by the Hon. Treasurer's annual statement of accounts, the Association again incurred a deficit in the current year. However, with loans advanced by the president and members of the General Committee, the Association was able to tide over its financial difficulties.

Head Prefect - - - - -	TO Kwok Kuen	CHAN Cheuk Yin
Vice-Head Prefects - - - - -	CHAN Cheuk Yin	WONG Chun Bong
	WONG Chun Bong	CHAN Chiu Ming

Prefects and Sub-Prefects are appointed by the Principal on the strength of their school record and an interview. The pupils who takes his share of the school's outside activities has, in this respect, an advantage over the purely bookworn type of student. The Prefects' standard of performance has been, on the whole, good.

### Class Organisation

	F.1	F.2	F.3	F.4	F.5	L.6	U.6	Total
1961 - 62 - - - - -	5	5	5	5	3	2	2	27
1962 - 63 - - - - -	4	5	5	5	5	2	2	28

With 27 classes it was found necessary to make one of them itinerant, and the scheme has worked well. This year there are 28 classes, two without classrooms.

### Curriculum

The course of study from Form 1 to Form 5, the School Certificate year, includes all the normal school subjects, namely: English Language and Literature, Chinese Language, Chinese Literature and History, Translation, Oral Kuo Yu, Geography, History, Civics, Pure Mathematics, Physics, Chemistry, Biology, Art, Music and Physical Education. The three branches of Science are taught separately throughout the school.

Again it has not been found economical to open a Lower 6 on the Arts side, owing to the small number of pupils opting for Arts. However, there is every likelihood that, with 5 divisions of Form 5 as against last year's 3, a different result will be found at the end of the current year.

The Science Lower 6 two classes have studied English Language, Chinese Language, Translation, Geography, Mathematics, Physics, Chemistry and Biology. The two classes of the Upper 6 followed courses leading to the advanced level subjects required for entry to the Science and Medical Faculties of Hong Kong University.

### Subject Interests

No subject takes up more of the school timetable than English. The year under review has seen the drafting of a new syllabus, and a determined attempt to raise the standard of spoken English which, it is felt, is basic to the whole study.

The Biology Circle has been active and has held regular meetings and excursions. All possible use has been made of the small school garden to serve as a workshop for the Circle.

Other interests are recorded in the Societies notes.

### Student Teachers

Joining the staff at different stages of the year, 3 students from the University and 3 from the Northcote Training College have observed lessons and taught in the middle and lower classes.

The school sent several classes of Form 3 to the University for demonstration lessons, and certain classes were taught by our own staff before an audience of training college students.

### The School Premises

Before the school year began, the small and inadequate school office was converted into a visitors' room and a staffroom became the office, its occupants moving

upstairs to a better room. This necessitated the wandering class already referred to under Class Organisation.

During the year two more classrooms have been turned to special use, namely a visual-aids room and a music room. It is the first time that music has enjoyed its own room, and the one chosen is well away from other classrooms.

The main rooms of the school are:

The School Hall	The Art Room
26 Classrooms	The Geography Room
4 Senior Laboratories	The Visual Aids Room
3 Junior Laboratories	The Music Room
The Library	3 Staffrooms

### Library

The year, for the first time, the library has been in full commission during the summer holidays: a happy development made possible by the speeding-up of the annual stock-taking. A very large number of pupils availed themselves of the new facility, and it can truthfully be said that holiday reading is now "in".

Two new index-card cabinets were added to the library just before the beginning of the September term, making a total of four. Due to the hard work of Student Assistant Librarians during the Summer Holidays, three sets of index-cards (subject index, author index and title index) for over 17,000 books are now complete. In addition, a set of Chinese books index-cards (also in three indices) is ready for use too.

So as to encourage Science studies, we have ordered a great number of books on Physics, Chemistry, Biology, Astronomy, Mathematics, Geology and Geography. The Arts have not felt quite so urgent a need of replenishment, but they have not been neglected. Our collection of finely illustrated books on Art and allied subjects is a highlight of the library.

The number of books on accession in September, 1962 was 17,384.

### The School Magazine

The second issue of "The Fig Tree" has been well received, mainly on account of the high quality of its illustrations. Our strong team of student-photographers are a help here: pupils took all the group-photographs. Not all of the photo-supplement has been contributed from the school, as it is our custom to include all the prize-winning prints from the inter-school contest which King's College originated and still runs.

As a chronicle of the school life the magazine has no equal, but it also serves to bring out budding literary talent. The second number of the "Tree" is up to standard regarding pupils' contributions.

### Quiz

Another exciting series of inter-school quiz matches was viewed by television fans, and found our team ready (for the most part) with the required answer. Only in the final round did "the present state of our knowledge" prove a shade below that of the rival team, D.G.S. And so we had, for the second time running, to be content with second place. This year a diligent study of encyclopedias has been observed in the school library.

### Societies and Clubs

#### Chinese Literature Society

This new society was formed early in the school year at the request of many senior students, and is flourishing. Regular meetings have been held and outside lecturers invited.

## This School

King's College was founded in 1926, and one year later began to occupy the present building. Through damage due to World War II the school was closed from December, 1941 to September, 1950, when it was reopened as a primary school of 400 pupils. In the following year it became a secondary school, and two phases of extensions have enlarged the building to a greater size than it was in pre-war days.

A Government grammar school using English as the medium of instruction, the College has over 1,000 pupils, almost all of whom are Chinese and the great majority boys. The school course leads to the English School Certificate, the Matriculation Examination of the Hong Kong University and the London G.C.E.

## From the Diary

Outstanding event: the Land Use and Minerals Symposium held at the College in September, 1961. The star of the distinguished gathering was Professor Dudley Stamp, who met many of the staff and stirred up great enthusiasm.

Speech Day was held on 30th November, when Professor and Mrs. S. G. Davis were the guests-of-honour.

As in previous years, the College's Photographic Club sponsored the inter-school annual competition, which ended with the 3-day exhibition in the school hall from 16th March.

Open Day was held on 27th April, and the exhibitions and science demonstrations which went with it continued over the weekend. The enthusiasm of staff and pupils was responsible for the success of the whole undertaking. The names of 1,537 visitors appear in the book, but this figure does not include a large number of others who were too modest to sign.

Sports and games: The Swimming Sports in October and the Athletic Sports in December, 1961 were held in ideal weather. The Challenge Cup for Table Tennis was won for the third time since 1952. If success in other inter-school competitions has not been spectacular, a determined start has been made to provide the training needed to win more laurels than we have in the past.

For the first time we have played host to the Annual Chess Tournament, begun only a year ago, between the schools and colleges of Hong Kong. Runners-up to the H.K.U. last year, this July we have managed to carry off both the team and the individual trophies.

## Age Group

At the beginning of the year the average age of our Form 1 pupils is 12.10, and that of Form Upper Sixth 19.7. These ages remain fairly constant, although a small proportion of pupils are older than the average by reason of repetition.

## Enrolment

The figures show a steady increase:

September, 1959	904 boys + 5 girls	Total	909
" , 1960	954 " + 6 "	"	960
" , 1961	1,000 " + 16 "	"	1,016
" , 1962	1,030 " + 21 "	"	1,051

This growth has, in the main, been due to an influx of junior pupils from the disbanded Yaumati and Wansai Schools, most of whom have now reached the School Certificate year.

Girls have joined the school in Form 4 or above to receive a science education, if their former school could not provide it. Most of them were pupils of Belilios Public School.

1963

## Attendance and Health

Average attendance during the year was 98.4%.

The two regular full medical inspections took place; the school health was found to be generally sound. There were 3 cases of infectious disease during the year.

With the advent of the epidemic, a large number of pupils were inoculated against cholera.

體育活動簡報

趙惠樂老師

本校今年度各項體育成績，頗有進步，現分述如后，並附短評。

週年水運會

週年水運會於去年十月舉行，當時虎疫威脅剛告解除，學生練習時間不足，全部賽績僅差強人意。謝漢森的自由式泳依然一枝獨秀，雄視甲組；乙組劉顯生的背泳，也頗有前途。

陸運會刷新八項紀錄

陸運會提前在十二月舉行，一共刷新了八項紀錄，成績不俗。其中尤以乙組跳遠冠軍杜景雲的十八呎八吋較特出；其餘乙組四百公尺和公開組千五百公尺俱不弱。

全港校際田徑賽

在今年全港校際田徑賽中，本校居然獲得九項決賽權，成績為往年冠。陳棟蓀更勇奪乙組四百公尺首名，取得一面寶貴的金牌；而黎成初和杜景雲亦以優越的成績，分居乙組跳遠的亞季席，也生色不少。

甲組乒乓球賽榮膺冠軍

甲組乒乓球隊今年重奪校際賽錦標，決賽時鏖戰竟日，連過四關，各球員都發揮了高度的技巧和體力，冠軍榮銜洵非倖致。

甲組足球校際聯賽名列第四

甲組足球隊除隊長甘鎮忠外，幾全部由新人組成，技術雖然未夠成熟，但戰意旺盛，在校際聯賽中獲得了十一分，名列第四。

甲組籃球校際名列第四

甲組籃球校際賽，本校今年再度進入決賽週，而且最初四戰，連戰皆捷，聲威一時無兩，本港各報章也一致許為熱門冠軍。詎料後來各球員情緒過度緊張，因而一敗再敗，尤以對大同中學一役，在最後四秒鐘時尚領先一球，結果仍然敗北，遂致大好銀杯，拱手讓人，真是可惜得很。不過這是經驗所限，不能太苛求的了。隊中以張奮翹和吳享成較超脫；陳景超和甘鎮忠較穩健。

龔顯被選為排球冠軍表演賽聯隊代表

排球隊今年提早集訓，技術漸趨成熟，聯絡亦夠緊密，校際賽卒能闖入決賽週。雖然最後排名第四，但各球員奮戰不懈，寸土必爭，在對冠軍隊培英一役中，亦能搶回一局，這種高度的體育精神，值得讚揚。個人技術以隊長龔顯最平均，彈力好，控球穩，被選為冠軍表演賽的聯隊代表，並曾接受香港商業電台訪問。

乙組羽毛球校際聯賽榮膺亞軍

乙組羽毛球隊在強敵環伺下，奪得了今年校際賽的亞軍，確屬難能可貴，各球員經常在課餘時間爭取練習，是他們成功的主要因素。

最後謹向汪健輝先生、何紹剛先生、關永誠先生、馬紹熙先生和韓應錚先生幾位教師致謝，因為本年度各項體育成績的進步跟他們的指導和協助是分不開的。

## 課外活動

### 甲、常識問答

普通常識雖非課程中之一科，然本校電視問答遊戲隊，於一月至三月間所舉行之校際淘汰賽中獲取第二名，亦足以顯現本校學生應付艱難問題之能力。經一連串之勝利後，在最後一回合中，本校校隊終被僅勝一籌之聖保羅男女校校隊擊敗。

### 乙、圖書館

本館新增雜誌陳列架，此實一顯著之改進也。

自一九六〇年九月以來，本館新增書籍，小冊及定期刊物共三千餘冊，中有半數來自原日灣仔分校。其餘則用體育及圖書館費置備，或定自英國，或購自本港。至一九六一年九月止，本館共藏有圖書一六四二八冊。

每日午膳休息時間內，目觀學生魚貫進入圖書館內，此實令人最為滿意者也。目前本館每日借出之冊數，較兩年前每星期所借出之數目為多。

本館雖無專任人員以司其事，然館內組織、圖書編制及借繳之程序，幾已達於近代化公眾圖書館之水準。

余欲藉此機會向政府新聞處，英國文化委員會，美國新聞處及其他機構，感謝其經常贈送刊物之盛意。

### 丙、校刊

是年本校校刊面目煥然一新，英文名稱亦與前異。事實上，目前各同類刊物皆有其名，故友善之競爭共存，促使吾人爲其立名。熱帶植物頗多無花菓樹，其生於校園之一株，自植自長，歷諸戰火而不謝，至今已亭亭如蓋矣。其菓雖盛，然不能作食品。故其商業價值至少。校刊封面設計，則爲本校美術教員林漢超先生之傑作。

該刊編輯重點，在校刊之雙重功用：即記載一年內大事外，並給予學生發表機會是也。唯革新後初次刊行，錯漏在所不免。

④該校所主辦之第六屆全港公開學生攝影比賽於一九六一年三月舉行，本校獲空前成績，計得兩冠軍獎、一亞軍獎及兩季軍獎。

### ⑤個人成績：

(甲) 李懋暢獲香港大學主辦之第二屆國際學生攝影沙龍比賽第二獎。

(乙) 李文浩獲香港時報主辦之第一屆全港公開攝影比賽季軍獎。

(丙) 李文浩獲第一屆童軍攝影比賽殿軍獎。

(丁) 李文浩、李懋暢獲星島晚報，香港國際攝影沙龍比賽優異獎。

⑥該社之教師顧問黃兆根先生膺選爲英國皇家攝影學會會員。

### 庚、新會社

依據衆多學生之要求，乒乓球社，羽毛球社及園藝社等相繼成立。

### 辛、音樂

本年音樂節中，朗誦及口琴兩項競爭至爲劇烈。本校獲三項亞軍獎，三項季軍獎，及朗誦隊兩項獎狀。

本年年底，誨人不倦之音樂教師黃飛然先生調職教育司視學處。吾人歡迎希敦夫人接替其職，高年級學生當皆熟知希敦夫人即彼等前任音樂教師陳秀華女士也。

### 壬、童子軍

童軍與深資童軍經常於每星期六下午到校，接受童軍技術訓練。童軍教練黃權振先生參加「木章」初級訓練，並已修業期滿。暑假期中，本校童軍會參加電工專章訓練班、隊長訓練班。七月二十二日，經大會同意，六名初級童軍被晉升爲深資團員。童軍有十二名獲二級專章，十七名獲專章。深資童軍有三名獲一級

尚祈讀者原有。本年該刊寄發海外各地，不少外地讀者來函與本校學生通信。

### 丁、地理學會

該會年內共有三次旅行，一往飛鵝嶺，一往城門峽，而第三次則往太平山；又曾二度參觀香港政府天文台，及訪問南華染布廠。

該會共舉行演講會兩次，並皆有七彩幻燈片以助瞭解。此兩次演講一爲本校校長郭士熙先生之「北美遊記」，一爲香港大學地理系助教黎全恩先生之「馬鞍山鐵礦」。

該會並製造一香港海港之地勢模型，及放映多套地理益智影片。本年內一切活動，無論高低班會員，均極踴躍參加。

### 戊、美術會

該會本年度內非常活躍，其中重要之事項分列如下：

①招貼比賽——本校五年級學生獲一九六一年農業展覽會招貼比賽第三獎。

②美術講座——本年五月間，美術科視學官顧里夫先生到校，對該會會員作繪畫演講。

③美術展覽——該展覽於七月一日舉行，展出作品計有壁畫、紙製鑲嵌畫、圖畫及水彩畫，參觀者共達三百多人。

④港大美術會——本校美術會選出十四幀圖畫參加該會主辦之第三屆美術展覽，其中三幀獲獎。

### 己、攝影社

本年度爲該會最值得紀念者，其理由如下：

①會員由八十人激增至一百一十人。

②中映室爲該會會員所充分利用。

③演講及示範由本港知名業餘攝影家錢萬里、關大志等擔任。

專章，二十三名獲專章。本校童軍會參加新年期間，在新界錦田舉行之全港童軍大露營及聖佐治日會操。至新人伍者，有童軍及深資童軍十八名；兩名副團長亦於新近任命。目前本校童軍人數有團長五人、童軍三十名、深資童軍十五名。童軍及深資童軍每月均有郊外活動一次。

### 癸、宗教團體

基督教團契每星期舉行早禱三次，集會一次。不久以前，該團契會與皇仁書院基督教團契舉行集會。趙君鐸女士爲該團契之現任顧問。

天主教協會所舉行之活動計有每月崇拜儀式、討論、電影及社交集會。該會之靈修領導者曾兩易其人：郭神父由卜神父接替，而卜神父又繼爲李神父所接替。

本校正嘗試激勵兩宗教團體會員對慈善工作之興趣，目前本校於此方面之努力，幾係限於各社輪流負責寶旗籌款而已。

### 舊生會

該會本年大事爲由行將退休之教育司高詩雅博士，於三月十日，所主持之舊生會小學啓用典禮。本校派出二十四名初級童子軍協助一切。此新型之四層高校舍位於人口稠密而極需學校之必列啫士街，有課室十二間，共收上下午夜三班學生一千七百四十人。高詩雅博士對來賓致詞謂，此五年之努力並不代表舊生會小學之全部生命，該校夜校在一九五〇年已在母校興辦，工作歷史計有十年之久。目前英皇書院在校男生（甚至女生）將來對社會之服務，當以此爲最佳之範例。

由該校所得之最近消息，爲參加小學會考之六年級生獲相當滿意之成績。同時，該校所聘葛量洪師範學院畢業之教員，若干且爲本校戰前舊生。此事引起前年所提出有關促進新舊校友友誼之問題；刻下該會委員會已擬定計劃積極進行。

上列一九六〇至六一年之一連串數字呈現一橢圓現象，而此現象足以表明此編制之不穩固，實至為明顯。本年之數字即代表企圖達到一穩定班級編制之第一步驟。

### 學生人數

至一九六〇年十二月三十一日止，學生人數為九六二人，其中有男生九五五人，女生七人。

### 考勤及健康

本學年之平均到校人數為百分之九十八。  
一九六〇年十二月，全校學生接受健康檢查。學生防疫注射，事先均徵得家長之書面簽署同意。  
本學年共祇有傳染病九宗。

### 教職員調動

全部教員總數仍為四十二人。暑假期中，教員之調動雖多，但仍不至接近前數年之可驚程度。

#### 離去本校者

賈士培先生	李國輝先生	李樹祥先生
林錫麟先生	雷英伯先生	衛理先生
李振榮先生	何堪士先生	屈譽濂先生
郭盧秀蘭女士		

#### 新來本校者

何紹剛先生	黃權振先生	關永誠先生
林漢超先生	施托士先生	黃飛然先生
方黃銘泉女士	麥斐德先生	彭炳晨先生
希敦先生		

如左人所共知，政府之政策，其目的在於使學生能受良好之教育，及若干需要之訓練。此等機構首推人口統計署，其統計員訓練課程，於一九六〇年年底之數月中，曾借用本校二十五個課室；結業試亦於同一地點舉行。

### 實習試教

教學示範由港大教育系學生擔任，於連續數星期五日，由本校派四班三年級學生前往上課。學生等樂於外遊，在小息時復有免費汽水可飲，其感愉快，自屬無疑。但無論如何，此計劃之成績極佳，目前已被視為既成之習慣矣。

三位港大教育系學生在本校完成其實習試教；來自羅富國師範學院之三位學生，亦在本校課室中，渡過其實習試教之兩段時間。

依往年之習慣，當五六年級領袖生因準備考試而放假後，代領袖生即由四年級生中選任。惟為使接替工作順利起見，副領袖生中似宜有若干自四年級學生中選派，俾五六年級者放假後，不致有全部新手之弊。為實行此計劃起見，六名副領袖生已由四年級學生中選任。

### 校舍

本校自擴展完竣後，為時不過兩年，所有教員室、課室及其他專用房間，俱已各盡其利，惟教員室及職員辦公室仍待改善。目前吾人正在盡力設法，以求供給此迫切之需要。

# 畢業頒獎典禮

本校一九六一年畢業頒獎禮，係於是年十一月三十日在本校大禮堂舉行。恭請香港大學戴維斯教授致詞，戴維斯夫人頒發獎學金及獎品。蒞會嘉賓除戴維斯夫婦外，尚有前校長梁鳳岐夫婦、英皇書院同學會會長岑才生、助理教育司羅宗淦夫婦、高級教育官周寬識、教育官鄺麗賢、葛量洪師範專學校校長胡照德、柏立基師範專學校校長吳廣源、庇理羅士女校校長希雅遜、孫翼民、羅天堯、香柏文、何炳南、朱叔達夫婦，其他中外嘉賓及學生家長等數百人。

典禮由岑才生主席，首致開會詞謂：「本人覺得十分榮幸，能於此項典禮中，擔任主席一職。身為舊生一份子，本人經常注意到母校之發展。在第二次世界大戰後，現在校址只剩回數塊崩塌牆壁。在教育司署熱心與努力之下，學校重建完成，並逐漸發展成為今日美奧美輪之校舍，並於十年前由政府將之變為一所完整中學。此兩項轉變，使舊生覺得十分滿意。本人最近聞校長郭士熙先生謂：『如有足夠之經費，游泳池將可再度使用。』此游泳池為舊生們以往所享受之現代設備之一。」岑氏又稱：「本校舊教師麥里倫君於數星期前，在星架坡參加東南亞教育會議之後抵港，吾等舊生趁此機會，與麥氏會談，甚感愉快。最後，岑氏稱：『今日本人愉快地知道，甚多學生考試及格。趁此機會，本人向彼等致賀。』岑氏致詞後，請郭校長報告校務。」校務週年報告見後。後由全體學生向戴氏伉儷歡呼，該校合唱團繼而歌唱，大會在歡奏校歌後宣告圓滿閉幕，最後茶會而散。

## 校務日記摘要

一九六〇年九月二十三日，本學年伊始未久，校長沙治臣氏榮休，其職由郭士熙氏接任。

十月至十一月間之大事，則有教育司高詩雅博士退休前，蒞臨本校作非官式之訪問；及成績美滿之水運會。十二月八日，本校一九六〇年畢業頒獎禮於禮堂隆重舉行。由前任校長梁鳳岐氏擔任主席，並致請香港會督何明華氏致詞，何明華夫人頒獎。

一九六一年三月初人口統計週時，適距陸運會及半年試未久，本校有學生百餘名於數月前即已接受嚴格訓練，在此一週內協助完成此艱巨工作，頗為辛動。本校舊生會小學亦於此同一星期內啓鑰，其詳情容後再述。是月全港各項公開比賽中，本校獲得音樂節之數項亞軍獎，校際電視問答遊戲之亞軍獎，及校際攝影比賽之兩項冠軍獎。此外，本校學生黃振邦君獲大英聯邦香港區徵文比賽之第一獎；本校攝影會名譽顧問黃兆根先生，膺選為皇家攝影學會會士。凡此紀錄，俱足使三月來所以永誌不忘者也。

四月，本校食物部正式開始營業，吾人四年來之素願至是乃實現焉。

在五月及六月內，吾人一如往年，忙於準備考試。惟七月之重要事項，則為「英皇書院校刊」之付梓，及畫展之舉行，到場參觀者在三百人左右。暑期伊始，則有象棋比賽及於維多利亞泳池停止開放前所舉行之水運會，至是本學年乃在極度愉快氣氛中結束。

## 校務週年報告

### 課程

本校由一年級至會考班所授者，俱係普通課程。各班均須學習英國語言及文學、中文、中國文學及歷史、繙譯、國語、地理、歷史、公民、純數學、物理學、化學、生物學、美術、音樂及體育。理科三項課程，則不論高低年級，均分科講授。

由於六年級生喜讀文科者不多之故，目下六年級暫不設文科班；此等學生如欲攻讀文科勢須轉肄別校。現在六甲、六乙之學生，皆習同一課程。計為英文、中文、繙譯、地理、數學、物理學、化學及生物學。理科高級六年班有二，其所攻讀之科目，則為準備升學港大理科及醫科所需者。

### 班級編制

茲將一九六〇年至六六一及一九六一至六六二年班級編制表列如下：

年份	級別	高年級	六年級	五年級	四年級	三年級	二年級	一年級	總數
一九六〇至一九六一	2	2	4	4	6	5	4	27	
一九六一至一九六二	2	2	3	5	5	5	5	27	

去年因油麻地學校改組後，該校大量學生轉肄本校，致使本校三年級增至六班之多，經升班淘汰後，四年級始減為五班。

戴維斯教授對各畢業學生稱：「大學與中學之工作，無大差異，大學中有較多之自由時間，以便聆聽演講，參加社會工作或活動。倘汝等則身大學時，當會發覺大學所具之另一項工作，為研究及增加知識：倘一所大學只從事教授及考核，則未能作充份發展。根據一項七年計劃，香港大學目前正擴充其數目。此項擴充，需要巨額經費及詳盡考慮。對於有類地理學及地質學之實際科目，係需要實驗室實習或實地研究，困難自然較大，抑且即時亦不能獲致有良好資格之教師。」

關於大學水準方面，教授認為港大大部份學系，其水準均與英國大學相埒。為確保是項水平，港大經常從英國邀請校外考試官主持考試。故港大之學生，畢業後可在英國大學從事研究工作。據有些海外考察員指出：港大水準堪與很多其他外國大學比擬，甚或會更高。

在過去數年間，本港在供應較佳教育設備之工作上，努力頗多，對於兩年後能有足夠小學學位供應所有學童之準備，誠足令人鼓舞。對於小學及中學、中學及大學間學位比率之尖銳問題，教授引為可惜。

教授最後指出：際茲太空時代，科學及技藝雖極受重視，惟各人仍不能忽畧文科之修習。故在本港繼續發展教育期間，應將學校之理科及文科課程作平衡分配，俾學生他日離校時，既有一技之長，可以謀生；而在公餘之暇，亦可欣賞美術文化，調劑一己生活云云。

# 香港童軍金禧大露營散記

時維公元一九六一年，是香港董軍建立的五十週歲。十二月廿七日集合本港暨來自星加坡、馬來亞、菲律賓、日本、韓國、泰國、婆羅乃、錫蘭、沖繩島等地區的董軍於九龍仔公園作爲時七天的大露營，慶祝金禧大典，也是創本港董軍有史以來的盛舉。

繼由米高峯播放金禧大露營歌，於是雄壯歌聲發自龍城營地。

晚間爲營火會由新界分營擔任，節目繁多，真是不勝枚舉，就中以燈花表演爲精彩。此項表演爲新界南約某旅之董軍手持特製電手筒，黑暗中但見光團團轉動，頗見特色。

卅日晨，天陰，早餐後，由營門至廚房都可以參觀，其中亦有來賓問及此露營的目的者，我們不厭其詳，一一爲之解釋，來賓中有同道者——女童軍，女童軍亦爲且登堡爵士於一九一一年所創立者。

女童軍亦有表演節目，因爲女童軍亦是童軍的成員也。

是童軍的成員也。

營地入口處之牌樓，古色古香，那副楹聯尤其惹人注目，聯曰：

金鼓起龍城，細聽畫角聲，集  
貝登堡四千健兒，創一家天下。

禧風動毳幙，遠看錦旂處處，點  
香爐峯三分營火，已半暖人間。

短短四十八字，究能點畫了這次露營的精神及其他規模之一斑。

一宿無話，二十八日晨，各單位營地已佈置停當。午間牧師及神父降福及祈，並由港督柏立基爵士主持大會升旗儀式。會衆三呼「金禧、長營、天下一家」。

午間，炊事是麻煩的，紅日當空，風聲四起，加上炊烟陣陣，淚水也淌出來了，現在我們才深感到「盤中餐粒粒皆辛苦」。下午一時為港島地方表演「各人同往貝登堡——董軍創辦人之墓」各代表單位皆立墓前致敬。英皇中學郭士照校長及前任、現任各老師皆先後來營採訪。

八旅樂隊表演，各有千秋。

晚上是港島營火會，並邀請了很多外賓童軍參加，計有美國、日本、韓國，和菲律賓童軍，還有沙勞越的。

× × ×

美國童軍們合唱一首美國民歌“Michael”。日本童軍表演武士比劍。越

沙勞越的童軍和我們一同唱：「P. Cha Cha」。菲律賓的童軍表演他們的竹土風舞。

一九六二年元旦之日，英聯邦之總董軍領袖麥祺連爵士由英國飛來參加這個金禧大露營，在他的演辭中他說：「我和你們都是董軍，作同樣的誓辭，守同樣的規則……今天我見到你們的一切好表現，敢斷言你們將成爲一個好的董軍領袖。」

繼頒獎品給各國各單位代表，大會旗於焉下降。營門佈置比賽我們獲得首獎，並於當天由麥祺連爵士頒發。

人類往往是爭吵吵的，然而「敝散知何似，風前滾地塵。」但當要離別的時候卻又有依依之感了。

金禧露營完滿閉幕了，這次大露營真的已爲本港童軍歷史加添了光榮的一頁。

賽比節樂音加參隊琴口

憲錫張 甲四

口琴隊的組織在英皇中學已有多年的歷史，據我所知，以往一向都由梁日超先生任教練，但從去年上學期開始，便改聘中華基督教青年會口琴隊長馮安先生為教練兼指揮。隊員的人數雖然因為畢業同學離校或新生入校而有所增減，不過經常也有二十餘人，一個學生的口琴隊能經常保持這個人數，已算不差的了。

我們除了平日聚集練習作爲課餘的一種活動外，每年都有參加校際音樂節比賽，而且每屆的成績都不錯。因爲上屆我們僅以一分之差屈居亞軍，所以今屆各同學特別努力練習，希望成績會更進一步。記得去年十月初的時候，我們已經開始作準備，首先我們把一些新加入的隊員編成一班加以訓練。每星期除了星期六上午由馮先生指導外，就在平日放學後便由隊長及幾位經驗較多的隊員領導練習。經過了兩個多月的時間，許多以前完全不懂得吹奏口琴的同學，已經能吹奏普通簡單的樂曲，於是我們便開始分音部練習大合奏。起初祇是隨便選幾首樂曲作練習譜來練習，選定了參加比賽的樂曲（今屆我們選了「Infermezzo Sinfonico Form Cavalleria Rusticana By Mascagni」馬斯加尼的「鄉村騎士」中的「間奏曲」）後，我們才加緊練習。爲了配合樂曲的需要，我們還請得二年級一位同學爲我們用鋼琴伴奏，如是練習了差不多兩個月（其間因爲大考，曾經中止了幾星期），直至比賽日子的到臨。比賽的結果，我們又以一分的成績遜於皇仁中學。但以八十九分名列亞軍也不負同學們一番的努力了。

今屆音樂節，口琴隊除了參加大合奏外，還派出兩組重奏組和三位隊員參加比賽。結果重奏 A 組獲得冠軍，得到大紀念盾一個；高級組獨奏獲得季軍；初級組獨奏獲得亞軍；其餘重奏 B 組和獨奏均獲得優良獎。今年能夠這樣的成績，一方面固然是各同學合作和練習不懈的成果，倘若沒有馮先生及音樂老師的指導和幫助，又曷克臻此？所以我膽敢代表口琴隊各同學敬向師長們致其深切的謝意。

*Membership:* The register shows a total of 531 members. With a view to admitting present students of the College into the Association, a new kind of membership known as Student Membership has been instituted. So far 31 boys have joined. Greater efforts still need to be made to enlist the support of this category of members, and by this means to bring new blood into the Association.

*K.C.O.B.A. Primary School:* Since its inauguration in September, 1960, the K.C.O.B.A. Primary School has been progressing smoothly. A total of 47 teachers and 1,530 pupils attend its three sessions. 17 candidates sat and passed the last Secondary Schools Entrance Examination. The Speech Day of the K.C.O.B.A. Primary School was held on Tuesday, 17th April, 1962.

On the point of going to press we are able to include an inspiring piece of news. Mr. Wong Shiu Gun, who was accepted by the Royal Photographic Society as an Associate in 1960, has now been raised to the rank of Fellow, the highest distinction the Society offers. He is the only local applicant chosen out of some thirty, and is by far the youngest of the seventeen Fellows in Hong Kong today. Another distinction he achieves is to be the first Hong Kong Civil Servant to receive this honour. When one counts the leading world photographers the Colony can boast, Mr. Wong's feat is all the more remarkable.

Yet those who have seen his prints are not altogether surprised at this happy outcome. Nor are those who know of the immense enthusiasm he brings to his pupils in the College Photographic Club: the succession of studio evenings, excursions, darkroom session and lectures have all contributed to the high standard of our student-photographers.

A tradition is no easy thing to start; still harder is the job of maintaining it. King's, a young school in the forties, was robbed of its salad years by the war and it has taken a long time to repair the damage. But there is at least one accomplishment — pre-eminence in photography — universally and readily accorded to our name. For this fact, Mr. Wong Shiu Gun is in no small way responsible.

  - (c) 4th prize in the First Photographic Competition for Scouts.
  - (d) Prizes awarded by Sing Tao Man Po and the Hong Kong International Salon of Photography.
- (6) Our Staff Adviser, Mr. Wong Shiu Gun, has been accepted as an Associate of the Royal Photographic Society.

**New Clubs**

Requests by many pupils have resulted in the formation of Tennis, Badminton and Gardening Clubs.

**Music**

In the Musical Festival choral and harmonica events were keenly contested. Three 2nd places were taken, two of them narrowly missing wins, and we had to remind ourselves that someone must always be disappointed. There were also three 3rds, and two of the choral-speaking groups gained credits.

At the close of the year Mr. Frank Huang, our hardworking music teacher, was transferred to the Inspectorate. In his place we have welcomed Mrs. Heaton, whom senior pupils well remember as their former teacher Miss Elisa Chan.

**Scouts**

Both Scout and Senior Scout sections met regularly on Saturday afternoons, the emphasis of the training being on scoutcraft.

Mr. Frank Wong, the Scoutmaster, attended and passed the preliminary training course.

Courses for electricians and for Patrol Leaders were attended during the summer holidays.

Promotions:— 6 Junior Scouts were promoted to the Senior Troop at a combined meeting on 22nd July.

Badges:— Scouts obtained 12 second-class and 17 proficiency badges, the figures for Seniors were 3 first-class and 23 proficiency badges.

Colony activities included the District Camp at Kam Tin over the New Year and the St. George's Day Parade on 22nd April. Both were well attended.

Recruits:— 18 new Scouts and Senior; also 2 new Assistant Scouters appointed.

Present roll is 5 Scouters, 30 Scouts and 15 Seniors.

Scout and Senior Scout sections both have an average of at least one outing per month.

**Religious Societies**

The Christian Fellowship has held lunchtime prayer meetings three times a week, and weekly after-school gatherings with invited speakers. Very shortly a joint-occasion with Queen's College is projected. Miss Rosaline Chiu is the present Staff Adviser.

Among the Catholic Society's activities, monthly Mass, talks, films and social occasions have featured. There have been two changes of Spiritual Director: Father Cronin gave place to Father Butterfield, who in turn acceded to Father Joseph Lee.

A serious attempt is being made to arouse in the members of both societies an interest in charitable work. At present the school's effort in this direction is almost confined to flag-selling, which is carried out by rotation of Houses.

**K.C.O.B.A.**

(1962)

The most notable event of the year was the opening of the K.C.O.B.A. Primary School on 10th March by Dr. Crozier, shortly before his retirement as Director of Education. 24 junior scouts from King's College assisted at the function. The modern 4-floor building is in Bridges Street, a crowded district badly in need of schools, and its twelve classrooms include in three sessions 1740 pupils. This undertaking of five years did not span the life of the Old Boys' Night School which, as Dr. Crozier reminded the guests, had opened in 1950 at the mother-school where it had operated for 10 years. Nothing could provide a finer example of service to the community for the present boys (and girls!) of King's College.

More recent news from the Primary School is that a gratifying measure of success attended the entry of Class 6 pupils for the Joint Primary 6 Examination. Also, a number of the teaching staff, G.T.C. trained, are post-war Old Boys. This revives the question, brought up last year, of a closer liaison between the older and younger sets of ex-pupils; the Committee has plans for a positive attack on the problem.

**KING'S COLLEGE**

(Tune: "Men of Harlech")

**School Song**

*Oh, King's College lives for ever,  
Nothing shall our friendship sever,  
Nothing shall defeat us ever,  
Glory to our School!*

*Listen to the sound of singing,  
Listen to our voices ringing,  
Joy and honour we are bringing,  
Glory to our School!*

*Soon we will be grown men,  
There will be new boys then,  
Summon all, the new and old,  
They'll sing and shout together:  
Old boys, new boys, winning glory —  
We ourselves must write the story,  
Keep this challenge still before ye,  
Glory to our School!*

## Enrolment

On 31/12/60 the number of pupils was 962, comprising 955 boys and 7 girls.

## Attendance and Health

Average attendance during the year was 98%.

In December, 1960 the school was medically inspected. Inoculations were given at parents' request.

There were seven cases of infectious disease.

## Staff Changes

The total number of teaching staff has remained 42. Staff movements gathered impetus during the summer holidays but did not approach the alarming proportions of previous years.

## Prefects

	1960-61	1961-62
Head Prefect	CHAN Ying Shek	TO Kwok Kuen
Vice-Head Prefect(s)	TO Kwok Kuen	CHAN Cheuk Yin WONG Chun Bong

As in previous years acting prefects were appointed from Form 4 after the release on study-leave of Forms 5 and 6. It has been felt that this interim spell would be more easily tided over if a number of sub-prefects in the junior school remained to take the helm, and this policy has been implemented by the appointment of six sub-prefects in Form 4.

## Accommodation

All the staff-rooms, classrooms and special rooms are now in commission (it is just two years since the extensions were completed). Improved staff and office accommodation is badly needed and every effort is being made to provide it.

During the year requests, mainly by Government departments, for the hall and the classrooms were fairly continuous and included our old friends the Clerical Service, the A.M.S., the C.A.S. and a large number of other bodies in need of suitable premises to hold examinations. First and foremost among these was the Census Department, whose Enumerator Course made use of 25 classrooms during the latter months of 1960; qualifying tests were also held on the premises.

## Students in Training

Demonstration lessons were given by diploma students of Hong Kong University to four classes of Form 3 which, on successive Fridays, presented themselves to be taught at the University. No doubt the pupils appreciated the outing as much as the free soft drink provided at recess; at all events the project worked well and can now be regarded as an established custom.

Three students of the Department of Education completed their teaching-practice at the school, and three students of the Northcote Training College put in two spells of work in the classroom.

### Who Knows What?

Although General Knowledge is not a subject included in the curriculum, an ability to answer the awkward question came to light when our Television Quiz Team took second place in the knock-out inter-school contest held from January to March. After a chain of well-deserved victories we lost in the final round to St. Paul's Co-educational College, whose team proved just that little bit more knowledgeable.

### Library

A display rack for magazines has been specially designed for the school and is a marked improvement.

Some 3,000 new books, pamphlets and periodicals have been added to the stock of the library since September, 1960. About half of them were handed over by our former Branch School at Wanchai. The rest were ordered from U.K. or purchased locally out of the Sports and Library Fund. The number of books in possession in September, 1961 was 16,428.

It is very satisfactory to see pupils flooding into the library every day during the lunch hour. The number of books loaned out each day now is more than the number loaned per week two years ago.

The organization, the classification system and the borrowing procedure of our library are now almost of the standard of a modern public library though we have neither full-time staff nor a clerk in charge of the library work.

I wish to take this opportunity to thank the Department of Information Services, The British Council, The U.S.I.S. and other institutions for their continuous support in sending us publications from time to time during the year.

## School Magazine

(1961)

This year the magazine has taken on a new look and a new name. Friendly rivalry has played its part, the fact that most of our contemporaries have names acting as a spur to us to adopt one. Many tropical trees are figs; the lush specimen, self-sown, which selected the school garden during the war-years must be one of the least valuable commercially as its abundant fruit (there appears to be no off-season) is quite inedible. So much for the new name, "The Fig Tree", and the new cover, its representation by the Art master, Mr. H. C. Lam.

The dual function of a school magazine, to record events and to give the pupils expression, has been in mind when compiling the number-one issue of "The Fig Tree", but as a first attempt its blemishes call for the reader's indulgence.

The magazine has had a wider circulation this year, and no less than five of its student-contributors have found themselves answering fan mail from overseas.

### Geography Society

Three expeditions were organised, one to Kowloon Peak, one to the Shing Moon Gorge and the third to Victoria Peak; and three visits made, two to the Royal Observatory and one to the China Dyeing Factory.

Two lectures illustrated by colour-slides were given; one by Mr. G. S. Coxhead on "Crossing the Date Line", and the other by Mr. David Lai, Demonstrator of the Department of Geography, H.K.U., on "The Ma On Shan Iron Mine".

A Relief Model of the Hong Kong Harbour was made and a number of good films of geographical interest were also seen. All activities were keenly attended by both Senior and Junior members.

### Art Club

The Club was very active this year. Some of the important events are listed below:—

- (1) Poster Competition - - - - - A poster, designed by a student of F.5, won 3rd prize in the poster contest of the "Agricultural Show, 1961".
- (2) Art Lecture - - - - - In May, a lecture was given by Mr. M. F. Griffith, the Inspector of Art, to the members of the Club.
- (3) Art Exhibition - - - - - The Annual Art Exhibition was held on the first five days of July. A great variety of work was shown in the school hall, including murals, paper mosaics, designs, drawings and paintings. More than three hundred visitors attended.
- (4) The H.K.U. Art Club Exhibition The Club contributed 14 pictures to the 3rd Annual Exhibition of the H.K.U. Art Club, and three of them took prizes.

### Photographic Club

This is a year to remember! The reason:—

- (1) Membership increased from 80 to 110.
- (2) The darkroom was made full use of by members of the Club.
- (3) Lectures and demonstrations were given by well-known Hong Kong photographers, namely Mr. Manly Chin, F.R.P.S. and Mr. Kwan Tai Chi, F.R.P.S.
- (4) The 6th Hong Kong Annual Students' Photographic Contest sponsored by the Club took place in March, 1961. We "scooped the pool" by winning two 1st prizes, one 2nd prize and two 3rd prizes.

Geography and History have the best pass percentages, but the 17 distinctions in Civics catch the eye. There is, however, nothing average about the achievement of Cheung Tze Leung who won 7 distinctions and 3 credits, approaching very closely the theoretical "best". Among the Upper Sixth results on the last page there are 6 distinctions in Chemistry, not recorded is a distinction in Geography at Advanced Level for a candidate who sat the subject from the Lower Sixth. In the junior school Fan Yat Kwong deserves mention for the number and variety of his successes — however, you will shortly be seeing him and the other prize-winners on this platform.

House Activities were in abeyance through the time of the extensions, but they are in full force now. Competition in all school games and sports goes on through the year and is not by any means confined to Sports Day. The six Houses are named after past Principals, and Mr. Leung Fung Ki, who was our Chairman last year, is one of the few people who retain vivid memories of all of them. I shall not easily forget his account of his first meeting with Mr. Morris, the first Principal, in September 1927. Mr. Leung, a brand-new member of the Department, had been instructed to report to King's College, but no time had been stated. The Principal glared at him and observed, "You're late, Mr. Leung!" "I'm sorry, Sir," said Mr. Leung, "I didn't know what time . . .", "Let this be the last time you're late at King's College," Mr. Leung was told. And, I have no difficulty in believing him, it was. It is appropriate to recall that Mr. Leung Fung Ki is himself a former Principal, that he retired last year after 35 years with the E.D., and that in his long and distinguished career he never had one day's sick leave.

Many of the older set of Old Boys were Mr. Leung's pupils, and this brings me back to the question of reconciling the old and the new, as in Mr. Jasper's words which we'll shortly be singing. I hear from the Committee that there are to be social parties to which the more recent Old Boys and present Prefects will be invited. The first party will be held quite soon.

During the first week of this term we all saw — even if we didn't recognise them — many distinguished professors, including the world-famous Dudley Stamp, whose name features on most of our geography-books. Because of the Minerals Symposium Professor Davis is a familiar figure, and of course, Professor, our seniors well remember you from 1958 when you spoke to us on a similar occasion. I want to tell you how happy we are to see you and Mrs. Davis here again.

Our help from the Old Boys' Association cannot be overestimated, and it is my personal wish to see every pupil eventually a member of the K.C.O.B.A. The Old Boys give the school wonderful support, and I cannot imagine what I should do without such right-hand men as Mr. Edmund Sun. I must thank you, Mr. Shum Choi Sang, for coming to our aid once again on Speech Day, and this time in the dual role of President and Chairman.

In this talk I have referred by name to certain teachers. With a staff of 42 one cannot mention one teacher without excluding 41 others. But I include every member when I thank you all for your loyal support at all times throughout the year.

## ANNUAL REPORT FOR THE YEAR 1960 - 1961

### From the Diary

Early in the school year, on 23rd September 1960, Mr. C. W. Sargison went on leave pending retirement and Mr. G. S. Coxhead took over the duties of Principal.

The next two months saw an informal visit by Dr. D. J. S. Crozier, shortly to retire as Director of Education, and a successful swimming gala. Mr. F. K. Leung, a former Principal, took the chair at Speech Day on 8th December, when The Right Reverend R. O. Hall, Bishop of Hong Kong, was guest-speaker and Mrs. Hall gave away the prizes.

Soon after the School Sports and Half-Yearly Tests, in early March Census Week came to crown a spell of furious activity for more than 100 pupils, which had begun with intensive training several months earlier. The opening of the Old Boys' Primary School during the same week is referred to late in this bulletin. March, 1961 was also the month of the Musical Festival when we took several second places; when we were runners-up in the inter-school T. V. Quiz Contest and won two first prizes in the inter-school Photographic Competition. That does not end the record of this memorable month: a pupil, Wong Chun Bong, won the Commonwealth Essay first prize for Hong Kong schools and Mr. S. G. Wong, our adviser on photography, was elected an Associate of the Royal Photographic Society.

In April a cherished dream was realised with the opening of a canteen, a facility which had been lacking for four years.

During the next couple of months we were, as usual, preoccupied with examinations; but July brought the Art Exhibition and 300 visitors, the new school magazine, "The Fig Tree" and the winding-up of term. Early in the summer holidays a chess tournament and another enjoyable swimming gala — just before the closure of the Victoria Park pool — brought to an end a very successful year.

### Curriculum

From the first year to the fifth or School Certificate year there is no specialisation, all classes studying English Language and Literature, Chinese Language, Chinese Literature and History, Translation, Oral Kuo Yu, Geography, History, Civics, Pure Mathematics, Physics, Chemistry, Biology, Art, Music and Physical Education. The three Science subjects are taught separately throughout the school.

Owing to the small number of pupils wishing to follow a course of Arts, these pupils have again had to leave us for other schools. The two divisions of Form Lower 6 which emerged worked to the same curriculum as that of the year before, namely: English Language, Chinese Language, Translation, Geography, Mathematics, Physics, Chemistry and Biology. The two classes of Upper 6 followed courses aimed at entry to the Hong Kong University in the Science and Medical Faculties respectively.

### Class Organisation

The numbers of classes in each form are quoted for the year under review and for the current year:—

	F.1	F.2	F.3	F.4	F.5	L.6	U.6	Total
1960-61	4	5	6	4	4	2	2	27
1961-62	5	5	5	5	3	2	2	27

Last year it was recorded that a large influx of pupils had stemmed from the reorganisation of Yaumati School, resulting in a Form 3 of 6 classes which, with normal wastage, have now become 5 classes of Form 4. The upper series of figures for the year reviewed shows a "bulge" in the middle which, it is very obvious, does not constitute a stable structure. The current year's organisation represents the first stage of an attempt to streamline that structure into a more stable form.

## THE MOST UNFORGETTABLE CHARACTER I'VE MET

I remember when I went to my grandfather's house in Macau for the summer holidays last year, I met a moody man who lived in the room next to my grandfather's.

One day, when I was walking in the street, I suddenly heard someone call out my name. When I turned round, I saw that my grandfather's neighbour, the moody man, was looking at me with a smiling face. I asked him how he knew my name. He said that he had heard my grandfather call me. And he told me his name. While we were walking along the street, he told me that he had had a wife and two children, but they had died during the war. And he told me that his life now was unhappy and lonely. At last, he asked me to go to his room at night.

Night came. I entered his room. I saw him sitting on a chair and there were a lot of stamps on the table. He asked me whether I liked those stamps or not. I said that I liked them. Then he asked me to choose as many as I wanted. Of course, I took the most beautiful and valuable of them. After a while I said good night to him and then went back to sleep.

At midnight, I was wakened by a cry and the sound of glasses falling on the ground. The sounds came from the next room. I went out and looked into his room through the hole of the lock. I saw the room was bright, and on the table there was a hand holding a photograph. I thought it would be his family's photograph. The crying continued.

On the following days, I sometimes went to the cinemas or the parks with him. He treated me as a father treats his son. Since the term would begin in a few days, I left him and my grandfather, and went back to Hong Kong.

After a few days I received a letter from my grandfather saying that the moody man was dead.

Now I can still remember his thin body and his moody face clearly.

HO KUN FEI.

## SOME HOWLERS

THE SCHOOL GARDEN BY NIGHT

by Li Mow Cheung

Teachers are the most discussed THINGS in Banyo. This subject comprises nearly all of an average student's fun in his school life — tearing his teachers to bits. I shall sit and watch such a group. Laughter, silence, a long drawn out sentence with several words emphasized — an interruption — hilarious laughter — silence, with sly grins being exchanged. Thinking it over, I then get up to leave and I am nearly knocked over by an angry Mr. . . .

Phew! I still have thirteen minutes to go. Thirteen long minutes 780 seconds, until the next period. How I long for that period, when I can, once again, sleep studiously in that slaughter room. You think I am mad, but something you don't know, I'll tell you secretly — I'll be free the next period. It is French, and I don't bother learning that language. Now I feel I am the envy of third and fourth formers. Spare periods are alright, but I am not greedy for I do not wish every period was a spare — just every other period will do. Here I am wandering from my survey. Hi, what have we there? Wow! It's plain cruelty!

I am now confronted by two evil-looking students who have caught my attention by an act of violence. They stand at opposite sides of a large green table. Holding a bat in their right hands, they are cold-bloodedly hitting a small, defenceless, white ball to each other. This poor ball, unable to prevent this premeditated slaughter, has just lived another of its many lives; for it was nearly crushed by the foot of one of the daydreamers here. I am indignantly told that these wicked students are playing a game. Table-tennis they call it — murder is a better name.

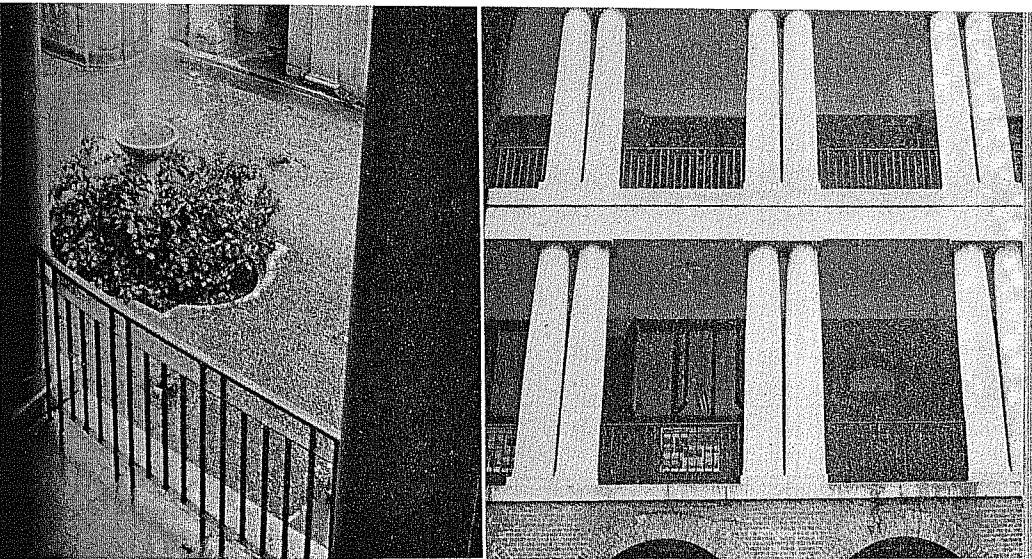

Unable to bear such disrespect to our fellow atoms, I shall now move on. Here I am — not lost — but at the tuck shop. A paltry few are still buying their lunch. Oh, not a fight; not at Banyo — the most civilized school in Brisbane. But it is. It looks like a duel, for two students are standing about three paces from each other with weapons in hand. They fire, and long streams of coca-cola pour forth, drowning a spectator but missing the antagonists — such a deplorable waste.

After such behaviour from my fellow students, my opinion of them has dropped one hundred per cent — it now stands at — four hundred per cent. But I must not dwell upon this scene as time is getting very short and there is still much to see.

Something else has caught my attention: boys in the faraway basketball courts. What is the attraction? I must find out — I'll go and see. Oh! The bell has rung! I must retreat. One final thing I discover: The boys from the basketball courts are putting packets of Rothman King Size cigarettes into their pockets. So I see the reason for their going down there! No prefects there, no wonder!

As I am approaching the classroom, I meet a classmate, "How are you going on, mate?" he asks. "Not too bad," I answer — silence again . . .

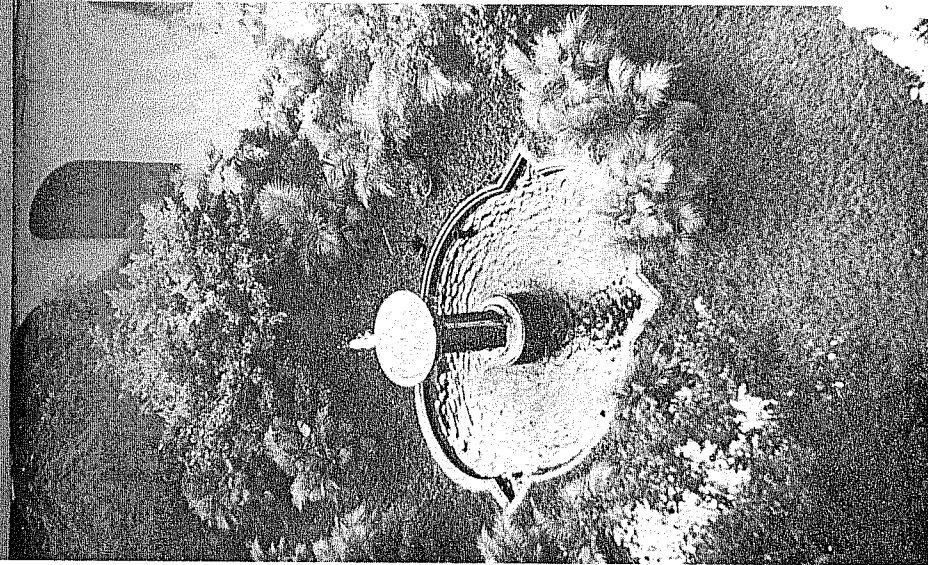

— from Dominic Yau Dick Kwong at Banyo State High School, Brisbane, Australia (a former pupil).

# 本校秋季季水運會

何乃澤

一個晴朗的早晨，當我進入維多利亞公園，我發覺不少穿著整齊純白校服的我校同學，比我更早，在園內散步談心。間中，一些興高彩烈地拿著旅行袋，大踏步向游泳池走去，他們就是獲得游泳決賽幸運兒們，將在今天舉行的比賽中，施展他們游泳技術進入泳池。我找到「沙治臣」社隊部坐下，四周滿坐許多同學，各社旗幟飄揚着，場面十分熱鬧。池中水是清澈而略帶淺藍色，在柔和陽光照耀下，更顯出清水如鏡，連池底瓷磚也可以逐一點數，司令臺是在泳池另一端，臺上檯椅

擺佈十分整齊，各項獎品陳列在繫着一面英國國旗的長檯上，這些明亮金屬器皿，組成一面大鏡子，在陽光中閃爍。

九時正，師長同學們相繼就座後，何堪士先生宣佈比賽開始。比賽分甲、乙和丙三組，每組中有比賽多項，包括有自由式、蝴蝶式、蛙式和背泳等。參加比賽健兒們，已經換上泳衣，在池邊練習準備的體操，或鬆懈肌肉的運動，也有些坐在一起的，等候召集。第一項比賽是甲組百公尺自由式，八位健兒，於槍聲一響，一齊起拔，如海豚般躍到水中，每健兒都鼓勇捷泳，每人之後皆激動水花，使池底顯得模糊且變化萬千。當他們呼吸換氣，把頭露出水面時，我從他們面上體察到勇毅果敢的精神，而他們卻像輕舟一般在水中鼓浪前進，手法純熟，姿勢又美妙。在他們到達五十公尺池邊前，八位距離很接近，同學們從熱烈地向他們社中健兒打氣中，都屏息地注視誰先抵達。祇見第四線健兒以半身位搶前，手一搭，翻一個筋斗便以一身位領先，他越游越快，把其他健兒拋離十多公尺而衝前至終點。一陣熱烈掌聲從看臺每一角落響起來，但接着每同

學又變為緊張沈默，因另三位健兒將達終點，爭取二三名次席。三位速度已較緩慢，但他們正鼓其餘勇，盡最後努力——。

啊！又一陣吶喊和掌聲，第一線和第五線健兒分別獲得亞季軍，他們的時間相差不及十分之一秒。

每一比賽項目皆吸引了場中每一同學，每比賽者皆在池中表演了他們獨到的技巧，他們冷靜地各盡所能，看臺上同學們隨着為他們歡呼，鼓掌；全校師生九百多人，在體育精神上形成一體，他們一齊觀看讚賞，和鼓掌。學校師長亦不乏游泳能手，在「老師隊」對抗「高六」二百五十公尺接力賽中，「老師隊」節節領先，末節關老師以二十尺大勝「高六」。

各項比賽完畢後，本校救生會表演救生示範和專門游泳技術。這幾項精彩表演，如蟹式、魚雷式和魚式游泳示範，使我們目不暇給，全場報以熱烈掌聲，甚至泳池的救生員亦俯首稱慶。泳場時鐘指着一時，會中最後秩序是由羅宗淦先生頒發各項獎品給得獎健兒，在校長和羅宗淦先生致詞後，本年度水運會便宣告結束了。

## (十二) 校刊

一九六〇年七月出版之本校校刊，對校中生活活動敘述頗詳。如在各項參觀、旅行及演講中，學生參加及獲益之情形，皆有記載。此外美術及攝影部分，亦甚完美。該刊由雷英伯先生主編，目下雷先生雖已離去本校，而彼使該刊水準超越同類出版物之成就，固堪慶慰者也。

## (十三) 社團活動

甲、歷史學會——本年度內共舉行演講會六次，參加者均甚踴躍，白勒加演講「香港歷史」時，到者尤衆。演講會中並有電影及幻燈助興。

乙、地理學會——本年度內頗爲活躍；除高班學生外，並另成立低班學生組。曾舉行演講會數次，講者不乏爲本校之教員，如何堪士先生，衛理先生及艾更生先生，對於異土風光，並放映電影幻燈以助瞭解。該會又曾赴長洲（二次）城門峽及大嶼山等地旅行，以增長對於本港地理情形見識，此種親身目觀之學習，可使地理教學免於徒賴書本之弊也。

丙、美術會——每星期六上午均經常集會。二、三兩月中，更在午間爲五年級學生特加修習。此外又赴長洲等地野外寫生多次。教育司署美術視察官顧里夫先生曾來本校對高班學生演講繪畫。對於外界展覽會曾參加二次，香港大學美術會曾頒與榮譽獎狀七份。

丁、攝影社——本年度沖映室雖一度不能應用，該社之活動仍頗豐富。每年一度之全港各校攝影比賽係於四月中舉行，該社榮獲亞軍季軍兩獎及榮譽獎狀多紙。另有三學生在公開比賽中得現金獎及銀牌獎。該社顧問黃兆根先生本人爲一攝影專家，該社之成就，實得其力者也。

游泳——謝漢森在高級組二百碼賽榮得錦標，全校共獲三十一分。

戊、歌詠隊——分初級、中級、高級英文及高級中文四組。在一九六〇年音樂節時，各歌詠隊，與英詩合誦六隊及口琴隊等均有卓越之成績表現，所獲得之獎品綜計有下列各項：

會長杯（全港最佳男子歌詠獎品）

冠軍獎 二項

亞軍獎 八項

季軍獎 八項

榮譽獎狀 三十四項

己、童子軍——本校童子軍旅組織甚爲健全，四種單位中已有其三，僅無小狼隊（十二歲以下）而已。香港第五旅（本校童子軍旅名）之活動，爲校中各項課外活動中之最活躍者。高級童子軍在「効率章」之課程，考試合格比率頗高（各科均在百分之八十以上）。該旅曾露營多次，社交生活亦頗豐富。關於該旅之訓練，則應歸功於指導該旅之各教員及若干舊生焉。

庚、基督教團契——該團契係三年前成立，所有基督徒學生，不分教會，均可參加。除經常舉行崇拜，即在假期內亦不間斷外，並參加校際基督教團契聚集及會議等。該團契會員日漸增加，可見本校學生對該團契反應之良好。

辛、天主教協會——該會成立已有二載，基礎業已堅固。其活動除每月之崇拜儀式外，並有週會、演講、討論及電影放映等。關於聖誕節之電影及四旬齋節前之茶會，尤使該會會員厚感興趣。

## (十四) 體育成績

### 甲、校際賽

足球——甲組六分，乙組四分，丙組五分。

### 乙、舊生會

過去數年來，舊生會夜校均係在本校上課。該校經營完善，管理嚴密，然長期借用本校校舍，究於雙方均感不便，至一九六〇年七月學期終了，乃得和善之解決。該校自建校舍完成，遷往後共設上午、下午及夜校三部分。

該校籌建校舍，進行已有數年。一九五九年十一月卅日舉行奠基禮，適逢前副教育司富嘉新氏由英來港，富氏前曾掌教本校，由其主持奠基實甚適當。由此富氏不獨能與本校重行保持聯繫，且能目觀其呼籲舊生建立校舍之舉得以初步實現也。

該會之會員多數猶爲戰前畢業之舊生，但戰後畢業同學加入者已日漸增多。新舊之間，興趣雖未必一致，而彼此力求融合混和，固不願有兩個分裂之舊生團體也。

### (三) 課程

自一年級至五年級，均授以普通教育，計有下列各項課程：英文語言及文學、中文、中國文學及歷史、繙譯、國語、地理、歷史、公民、數學、物理、化學、生物、美術、音樂及體育。六年級課程注重科學，並無歷史、公民及美術等科。高級六年級則更為顯明，每週四十節時間，全部皆為科學及數學科目所佔，然為顧及學生身心發展起見，仍於課外授以體育、音樂及美術課程。

### (四) 學生人數

一九五九年十二月三十一日，全校共有學生九〇七名，其中男生九〇一名，女生六名。

一年級學生循例收納小學六年級會考畢業生，二年級學生除由灣仔分校升班者外，兼收油蔴地官校之升班生。全校各級級中，以二年級之班數為最多。

高級六年級及六年級之文科學生，皆轉學皇仁中學及伊利沙伯中學。

### (五) 考勤及健康

全年學生平均到校人數為百分之九十七。全校學生會經常舉行健康檢查。其中注射牛痘或防疫針者，皆經家長書面簽證同意。

### (六) 教職員

一九六〇年正月時，全校共有專任教員三十九人，書記二人，實驗室助理員二人。教職員之變動如次：

領袖生長 黃孝建  
副領袖生長 陳應碩

一九五九——六〇年 一九六〇——六一年

因學生人數由六六三增至九〇九名，領袖生及副領袖生名額亦增至三十人。彼等協助校方，維持紀律及秩序，工作艱勤，精神可嘉。

觀夫上述人事變動之眾，可知保持教學之繼續實屬匪易，然必須申敘者，即新來之教員，皆屬年青有為，不獨學歷高深，且皆富具熱忱者也。

有門直通樓梯，毋須有一走廊，如是可增多地方不少。增建工程中之最出色者為一大圖書館，計佔地一千八百方呎，其次為一新型之地理室及一悅目之美術室，遠眺海港，全景在望。

外界借用本校校舍者甚多。政府文員英文班、輔助醫療隊、後備警察、民安隊、英皇舊生會聖約翰救傷分隊等，每週皆經常借用，大禮堂則常借作各項公共考試試場之用。

英皇舊生會夜校於一九六〇年七月遷至必列借士街該校自建之新校舍。

### (九) 實習試教

因本校增建校舍工程尚未完成之故，本年度准予在校實習試教之學生人數不得不減為二名，此二名皆在為香港大學教育系攻讀教育文憑者。

### (十) 課外活動

本校學生從事課外活動，多以各項社團之組織為基礎，其活動情形容後再述。此外尚有各項全校性之活動，任何學生均可參加，如視覺陳列、午間唱片欣賞及電影等，凡在校舍情況許可之下，皆隨時分別舉行。

### (十一) 圖書館

校舍增建完成以後，圖書館大為擴充，由南端一小室遷至中部頂樓，設備與光線均臻完善。館中新置書籍一千餘冊，兼任圖書館主任許明先生及其輔助人員工作甚勤，而因校舍增建工作完成較遲之故，直至學年將近尾聲之際，該館始得全部開放。

目下本校圖書館共有書籍雜誌一萬六千冊左右，可稱為本港良善圖書館之一也。

1961

# (一) 序言

一九五九年九月開學之際，本校校舍增建工程尚在進行中。初以爲此項工程可在九月前完成，故將灣仔分校結束，並將全部學生併入本校，迨開學時因工程未竣，乃發生多方面之困難。於不得已之中，惟有暫行實施三部制，（五六年級全日上課，三四年級下午上課，一二年級上午上課）並將學生人數減少五十名左右，是以一九五九年九月時，全校學生僅九〇九名，直至一九六〇年九月，始達九六〇名。

增建校舍至一九五九年十二月始交與本校，但電線重裝工作則至是月底始行告竣，其後數月間，裝置室內設備亦頗費時，故至一九五九學年度結束時，始能全部應用。

倘在般舍道本校門前經過，則增建校舍之規模實不易爲人見到，誠以所有增建工程，均係在原有校舍上加高發展，計在前面增高一層，（現共四層）後面（健身房）則增高二層。（現共三

## 一九五九至一九六〇年校務週年報告

本校一九六〇年畢業頒獎禮，係於是年十二月八日在本校禮堂舉行；先由代理助理教育司梁鳳岐先生擔任主席，敦請香港會督何明華夫人頒獎，並請何會督致訓。在未頒獎前，先由校長郭士熙先生報告一年來校務概況，茲將其全文譯述於後：

（除詳細情形容再敘述外，茲僅願向各位簡畧提示，即此次增建校舍部份，除課室外，有地理室特別室等，亦有實驗室（現有實驗室七間）。目下全校共有二十七個課室，實官立中學中課室數目最多者也。

### (二) 班級編制

## Scouts

Three of the four units of a scout group are represented by the College, only the Wolf Cub Pack (under 12) being absent. The 5th Hong Kong Group, as we are known, is one of the most active bodies concerned with our life outside the classroom.

The senior scouts worked hard at their Proficiency Badge Courses, and obtained a very fair percentage of passes (80% over all the courses).

Camps held were too numerous to list, and there were many social gatherings.

Credit is due both to staff members and to a number of Old Boys who did such valuable service in training our scouts.

## Christian Fellowship

This inter-denominational band of Christian pupils was formed just over three years ago, and has ever since met regularly, holidays included, for Divine Worship. In addition, interschool rallies and conferences have been attended.

The appeal to all pupils has met with success, reflected in the gradually swelling roll of members.

## Catholic Society

The Society is now in its second year and is already firmly on its feet. Its activities include weekly meetings, addresses, discussions and film shows, in addition to monthly Divine Worship.

Notable occasions were the film show on the subject of Christmas and a very enjoyable tea-party held before the beginning of Lent.

## K.C.O.B.A.

For the past several years the Association's Night School has studied, efficiently and unobtrusively, on our premises. However, the arrangement was not ideal for either side. It came to a peaceful conclusion in July when both schools completed the academic year. The Night School now occupies its own building, where it operates as one unit of a three-session scheme.

The plan had been maturing for some years, and, by a happy coincidence, Mr. G. P. Ferguson appeared in Hong Kong in time to lay the foundation stone on 30th November, 1959. He was thus able both to renew his old ties with the school and to see the beginnings of the new school he had urged the Old Boys to build.

Membership of the Association is still largely confined to the "pre-war vintage". But a thriving community has emerged from out of the post-war graduates, and efforts are being directed to fuse these youngsters with the older set rather than have two separate societies of O.B.'s, however different their interests.

## School Building

Accommodation before and after the extensions is shown in the following table:—

	Former Premises	Present Premises
Classrooms - - - - -	19	27
Lecture Room - - - - -	1	1
Visual Aids Room - - - - -	1	1
Laboratories - - - - -	4	7
Preparation Room - - - - -	1	1
Geography Room - - - - -	—	1
Handwork Room - - - - -	1	1
Art Room - - - - -	1 (small)	1 (large)
Library - - - - -	1 (small)	1 (large)
Gymnasium - - - - -	1	1
Hall - - - - -	1	1
Staff Rooms - - - - -	3	3 (incr. area)
Prefects' Room - - - - -	—	1
Dark Room - - - - -	1	1
Scouts' Room - - - - -	1	1

The new classrooms, unlike the pre-existing ones, are all large and of uniform dimensions. The new laboratories have gained space by the avoidance of passages, each room possessing its own door to a stairway. Features of the extension are the exceptionally large library (1,800 square feet), an up-to-date geography room and a cheerful art room looking on to the Harbour.

Demands upon accommodation by outside bodies have continued to be heavy. The Government Clerical Service, the Auxiliary Medical Service, the Police Reserve, the Civil Aid Services and the St. John's Ambulance Division of the Old Boys' Association have used certain premises regularly each week, and the hall has served its customary purpose in accommodating public examinations.

The K.C.O.B.A. Night School vacated the College in July 1960, moving to its completed new premises at Bridges Street.

## Students in Training

Due to difficulties imposed by the building of extensions, the number of students doing their teaching practice in the school was limited to two. They were Diploma students of Hong Kong University.

## Activities

Many of the school's outside interests are organised on a club or society basis, and the reports of these clubs follow. There are also activities of the "open to all" variety, including visual displays, lunchtime gramophone concerts and films. All have been pursued as often as the difficult circumstances would allow.

A concern for the welfare of the community has been shown by voluntary flag-sellers, whose work has been organised through a roster of Houses.

## Library

Reconstruction of the building included the moving of the Library from a smallish room in the South Wing to the very large new one it now occupies. This and the addition of over 1,000 books involved Mr. H. T. Shu and his many helpers in a great deal of work, and it was not until the academic year had almost run out that the new Library came into commission.

With over 16,000 books and a large stock of magazines, it is now one of the finest school libraries in the Colony.

## School Magazine

The July, 1960, issue is one of considerable interest and mirrors the life and occupations of the school. It brings out pupils' ability to profit by excursions and lectures such as that of Mr. Jack Braga on the Colony's history. There is a fine artistic and photographic section. The Editor, Mr. S. W. Rainbird, who has now left the staff, is to be congratulated on a magazine well above the average of such publications.

## History Society

The six lecture-meetings held were well-attended, Mr. Jack Braga's talk on "Hong Kong through the Years" proving very popular. Films and film-strips have also entertained the members.

## Geography Society

An active year has been passed, and not only by senior school members; a junior branch has been formed.

Several interesting lectures were given, and talent among the staff was not overlooked — both Mr. Holmes and Mr. Whiteley (now left) and Mr. Atkinson showed fine colour-slides to illustrate their lectures on "places foreigneering". A number of good films were also seen.

Expeditions to Cheung Chau (twice), to the Shing Mun gorge and to north-east Lantau helped greatly to increase our first-hand acquaintance with the local scene, and contributed to the aim of making our geography less bookish.

## Art Club

Regular meetings were held each Saturday morning, and lunchtime sessions during February and March provided extra practice for School Certificate candidates. Sketching excursions were made to Cheung Chau and other scenic spots.

Mr. M. F. Griffith, Art Inspector, gave a lecture to senior pupils on painting and drawing.

The school contributed works to two exhibitions during the year, and gained seven honour certificates presented by the University Art Society.

## Photographic Club

The Club has held a highly successful year, in spite of the fact that the dark room was not available during the autumn term.

The annual exhibition open to all schools and sponsored by the Club itself, was held in April. The Club won 2nd and 3rd prizes and a number of honour certificates.

Three students in open competitions won cash prizes and a silver medal.

The staff adviser, Mr. Wong Shiu Gun, is a valuable asset to the Club, being an expert photographer himself.

## Music

Four choirs were organised: Junior, Intermediate, Senior English and Senior Chinese. These choirs and six choral speaking groups competed, together with our harmonica players, in numerous events of the Schools Musical Festival, 1960, and

Average attendance during the year was 97%.

The school was medically inspected and inoculations given at parents' request.

## General Remarks

In September, 1959, the beginning of the year under review, major extensions to the school were in progress. Their completion had been expected before this date, and in consequence the Branch School at Queen's Road East had been closed and its pupils transferred to the main school. Their accommodation offered considerable difficulty. It involved an organisation of three overlapping sessions, and a curtailment of the total possible enrolment by some fifty pupils. Thus the figure of 909 pupils for September, 1959, stands against the September, 1960 roll of 960 pupils.

The extensions had been handed over to the school by early December, 1959, but it was not until the end of that month that the necessary re-wiring was completed. The next few months saw the furnishing and equipment of the new premises, which were not in full use until the close of the academic year.

The size and scope of the additions are not apparent to the passer-by in Bonham Road. They are an entirely upward development, bringing the frontage to four storeys and the gymnasium wing to three. Details will be found further on in this report; here it is noted that the extensions include extra classrooms and special rooms, and bring the number of laboratories to seven. There are 27 classrooms, the largest number possessed by any Government Secondary School.

## Class Organisation

A comparison of the class divisions under review and those in existence from September, 1960, follows:—

	U.6	L.6	F.5	F.4	F.3	F.2	F.1
1959-60 - - - - -	1	2	4	4	4	6	5
1960-61 - - - - -	2	2	4	4	6	5	4

## Curriculum

A general education is given from Form 1 to Form 5, the subjects taught being English Language and Literature, Chinese Language, Chinese Literature and History, Translation, Oral Kwo Yu, Geography, History, Civics, Pure Mathematics, Physics, Chemistry, Biology, Art, Music and Physical Education.

In the Lower Sixth Form the emphasis is on Science, and the subjects History, Civics and Art are dropped. The trend is still plainer in the case of the Upper Sixth, where the entire 40 periods of the week are devoted to scientific and mathematical subjects. However, Physical Education and Music, and with some senior classes Art also, are taught on an extra-curricular basis.

## Enrolment

On 31/12/59 the number of pupils on the roll was 907, comprising 901 boys and 6 girls.

Recruitment for Form 1 was, as usual, determined by the results of the Joint Primary 6 Examination. Form 2 was filled partly by the pupils of the Branch School, disbanded in August, 1959, and partly by pupils from Yaumati School. This form of six divisions was the largest in the school.

Art students of Forms Upper and Lower 6 were transferred to Queen's College and Queen Elizabeth School.

## Prefects

	1959-60	1960-61
Head Prefect - - - - -	WONG Hau Kin	CHAN Ying Shek
Vice Head Prefect - - - - -	CHAN Ying Shek	TO Kwok Kuen

The number of prefects and sub-prefects was increased to 30 to cope with the larger school population (663 to 909). They coped well with difficulties which put a severe strain on the whole school.

## The New Principal

Mr. Coxhead comes of a teaching family, his father having been the headmaster of a grammar school in England and his mother also a teacher. Educated at Oundle School, Liverpool and London Universities, he entered the profession in 1935 when he joined the staff of the Cathedral High School, Bombay on a 4-year contract.

After a short experience of English schools he was accepted into the Colonial Service and made his first acquaintance with this school in January, 1940. Called up when war broke out, he was a war-prisoner in Japan and returned to Hong Kong in March, 1947.

Since then Mr. Coxhead has had a wide and varied experience both of schools and of administrative work. Four years were shared between K.G.V. School and Queen's College, and after home leave he became an inspector of schools, a post he retained for six years; for two of these he had charge of the grant-in-aid schools. At the end of 1957, after an "absence" of 16 years, he rejoined King's College and acted for his predecessor, Mr. C. W. Sargison, during the latter's leave.

Geography is Mr. Coxhead's special subject, in which he has contributed to the production of a local atlas and written (with Mr. J. Whiteley, a former staff-member) a junior textbook.
