

\*\*\*\* *Greetings from Our New Principal* \*\*\*\*

*Mrs. CHAN WOO Mei-hou, Nancy*

Newly transferred from South Tuen Mun Government Secondary School where I spent time wrapping up my duties throughout the summer, and so I started my life in King's College, let me say, a little in haste. Notwithstanding that, I must say that I am overwhelmed by the hospitality of the King's family. On August 16th, I was honoured to have dinner with the committee members of the KCOBA and had some good chats with the prominent alumni about the development of the school. They were overjoyed to hear that the King's boys achieved outstanding performance in the HKCEE this year. I also met the President, committee members and other members of the Harmonica Band in late August. Their passion is not only tied to the playing of the harmonica but also to their lasting friendship rooted in their days in King's College. Even newly grads show their strong attachment to the school, some of them returned to school in the beginning of the school term and had long chats with me – to familiarize me as a new principal of the school. Their concern and care for the school made me deeply feel that – old boys, new boys, no matter where they are, what year they graduated, KC has always been one family.

- We are now seeking job shadowing opportunities from **ALL OF OUR RENOWNED ALUMNI**. If you are interested in offering our students with work experience options through which they will learn about a particular kind of job by shadowing you through the work day, please contact our Careers Mistress, Ms WONG Ka-wai, at 2255-0081 or [elizawong@edb.gov.hk](mailto:elizawong@edb.gov.hk) for details.
