

Latest news:

☞ **Reception to Celebrate Alumnus CY Leung as Chief Executive of HKSAR cum Sharing by CY Leung and other Alumni from KCOBA**

This event was a tremendous success. Kingsians, from all walks of life, came together to share the joy and honour of their alma mater. [For more...](#)

☞ **Our students had excellent performances in a series of renowned competitions:**

- The chemistry research team of our school (Edmond Lui (5A), Tommy Yuen (5D) and Sipo Wai (7D)) participated in the World Final of the Intel International Science and Engineering Fair. With the outstanding project named "Polyaniline Multi-detecting Toxic Gas Sensor", they were successfully awarded the Second Place Grand Award and the entitlement of three minor planets named after them.

- Five of our S5 students won the First Runner-up, the Food Science Award and the Best Booth Presentation Award in the Hong Kong Student Science Project Competition 2011-12 with their project titled, "The Racemization of Amino Acids Under Different Cooking Methods". Another team with six S4 & S5 students received the Honorable Mention Award and the Visitor's Most Favourite Award with their project titled, "Trans-former". [For more...](#)
- Six of our students joined the Hong Kong Physics Olympiad 2012 organized by the Hong Kong Academy for Gifted Education Foundation and won the Best School Award in the Senior Level. [For more...](#)
- Six of our S5 students won the Hang Seng Indexes Company Limited Second Prize for the Senior Section in the 2011/12 Statistical Project Competition (SPC) for Secondary School Students with their project titled, "Retrospective socio-economic incidents - How did they affect Hong Kong's economy?". [For more...](#)

☞ **Job Shadow Programme 2011-12**

- The Job Shadow Programme 2011-12 co-organized by the Careers Committee of King's College and the King's College Old Boys' Association had been successfully held. Seventy-eight S5 students were given opportunities to shadow sixteen of our alumni and their related parties for half day to 2 days during Lunar New Year and Easter holidays. Not only did they get to observe the day-to-day activities of their hosts in the current workforce, they also obtained a chance to have their questions answered. Let's share some of their feedbacks:

Host: Dr Chong Hou Ming (Queen Elizabeth Hospital)

Student: Li Ka Ho (5A)

"Though they may know that the patient is out of hope, they never say

desperate words to any patients. They realize that they are the last hope of the patients so they must try every possible way to save their lives."

Host: Mr Oscar Leung (Dow Chemical Pacific Limited)

Student: Yam Pak Hin (5D)

"Mr Leung emphasized the importance of communication skills, especially the use of English. ... I will spend more time reading English newspaper and watching English channels in order to improve my standard."

Host: Mr. Nathaniel Lam (Joyful (Mental Health) Foundation)

Student: Chan Hoi Ching (5D)

"I have learnt more about the operation of a non-profit making and charitable organization like its capital raising, management structure and goodwill. I related my knowledge learnt from textbooks to this authentic scenario..."

- We would like to thank KCOBA and all renowned alumni for their generous support. This programme would not have been a success without their enthusiastic participation. They really make a difference in the life of their fellow Kingsians!
- If you are interested in participating in this programme in the coming academic year, please do not hesitate to contact our Careers Mistress, Ms WONG Ka-wai, at elizawong@edb.gov.hk for details.

☞ **Friendly chat with Mr. LAM Chiu-ying on March 2012**

The school would like to thank Mr. LAM Chiu-ying, immediate past president of KCOBA, for his generous offer to share with our students his principles of critical thinking, career planning and conservation during a sunny afternoon under the Fig Tree.

☞ **So Long, Farewell, It's Time To Say Goodbye.....Goodbye!**

- After 30 years of service at King's College, Ms So Po-ying, our clerical staff, left our school and promoted to a higher rank in the Finance Division of the Education Bureau. We sincerely wish her all the very best for the future.

The Golden Bond: Alma Mater and You!

Make the most of the opportunities that are available to maintain your continued connection with the School, through its alumni initiatives.

- ✧ **Would you like to celebrate your important moments at your Alma Mater?**
You could ...
 - *celebrate your graduation anniversary with your fellow schoolmates; or*
 - *organize a reunion with your class.*
- ✧ **Would you like to support the work of your Alma Mater?**
You could ...
 - *share life experience*
 - *deliver a career talk or arrange a career visit to your company*
 - *help with mentoring*
 - *sponsor school events, e.g. the exchange programme, etc.*

We would welcome any of your initiatives as we believe that alumni play a key role in helping King's College to climb to new heights in the ever-changing 21st Century.
