✧ **King's College Annual Open Days 2019 ~ "Symphony"**

Our Open Day held on 8-9 March was a great success. Whether you have participated in the event or not, we wish to share the joy of these fun-filled days with you all. [For more...](#)

✧ **King's College holds fun-filled Games Day for alumni and parents**

The "King's College Games Day 2019", an important annual event for all Kingsians, was held on 9 March. It provided a valuable opportunity for alumni to spend a wonderful weekend on campus together. Though the weather was far from favourable for outdoor ball games, badminton and other indoor activities still prevailed. We continued to receive the enthusiastic support from alumni, parents, staff and their families. [For more...](#)

Our students got excellent results in all arenas:

✧ **The Hong Kong Chemistry Olympiad for Secondary School 2018-2019**

Four of our S.4 and S.5 students from the Chemistry Research Team won the 1st Runner up in the Hong Kong Chemistry Olympiad for Secondary School 2018-2019 with their project titled, "Dye-Sensitized TiO₂-Catalysed Photodecomposition of Methanal".

✧ **The 21st Hong Kong Youth Science and Technology Innovation Competition**

This competition is the largest and most popular science competition in Hong Kong with about 4,000 participants from over 400 schools. The prize presentation ceremony was held at the Hong Kong Science Park on 31 March 2019 and officiated by the Permanent Secretary for Education, Mrs. YEUNG HO Poi-yan, Ingrid, JP. Our students, WONG Sonny (2D) and LAU Kit-fai (1C), attained the 3rd Place Award in the Energy and Environmental Science category (Junior Secondary Division) with their research project on anti-formaldehyde. They were also awarded the 1st Place Award in the "HKCTC Special Award for Outstanding Project in Testing" offered by the Hong Kong Council for Testing and Certification. [For more...](#)

✧ **Fun with Learning 2019 - iGeneration Hong Kong & The First Future Engineer Grand Challenge 2019**

Our S.3 students, CHAN Tsun-ming, KWAN Chiu-ming and TANG Chun-shing, won the Champion (Final Stage), the STEM Creativity Award and the Best Presentation Award in the Fun with Learning 2019 - iGeneration Hong Kong (Junior Secondary School Session) organized by the Hong Kong Association for Computer Education with their project titled "i-Hydroponics". The project was also awarded the 3rd Prize in the First Future Engineer Grand Challenge 2019 (Junior Secondary School Session) organized by the Hong Kong STEM Education Alliance. Another team also

attained the Best Presentation Award with their project titled "E-bin" in the Fun with Learning 2019 (Senior Secondary School Session). Congratulations to all the awardees. [For more...](#)

✧ **The 70th Hong Kong Schools Speech Festival**

Our students achieved commendable results with 5 first prizes, 10 second prizes and 3 third prizes totaling 18 prizes in the Hong Kong Schools Speech Festival.

✧ **The 71st Hong Kong Schools Music Festival**

For KC musicians, it was a hectic yet fruitful month of March. Topping their regular practices with extra rehearsals, our musicians shone on the stage and attained outstanding results. A total of 21 awards were won in this year's competition including 10 champion awards, 5 first runner ups and 6 second runner ups.

✧ **The Youth Nursing Competition**

Four of our Red Cross members participated in the Youth Nursing Competition 2018-2019 (Central and Western District Division). The team was the 1st runner-up.

Upcoming events

✧ You are cordially invited to attend our upcoming school event:

9 -10 May 2019 (Thur & Fri)	Annual Athletics Meets (Heat & Final)	Venue: Tsing Yi Sports Ground (Tsing King Road, Tsing Yi, New Territories)
--------------------------------	--	---

The Golden Bond: Alma Mater and You!

Make the most of the opportunities that are available to maintain your continued connection with the School, through its alumni initiatives.

✧ **Would you like to celebrate your important moments at your Alma Mater?**

You could ...

- *celebrate your graduation anniversary with your fellow schoolmates; or*
- *organize a reunion with your class.*

✧ **Would you like to support the work of your Alma Mater?**

You could ...

- *share life experiences*
- *deliver career talks or arrange career visits to your company*
- *help with mentoring*
- *sponsor school events, e.g. the exchange programme, etc.*

We would welcome any of your initiatives as we believe that alumni play a key role in helping King's College to climb to new heights in the ever-changing 21st Century.
