

Latest news

- ☞ We express our heartfelt gratitude to our Acting Principal, Ms. WONG Chau-ling, Fiona, for her unwavering dedication and service to our King's family over the past six years. Her tireless efforts have made a significant impact on the school and our students. We congratulate her on her new role as the Principal of the Arts and Technology Education Centre for the 2023-2024 academic year. We are confident that she will continue to excel in her new position.
- ☞ We would also like to extend a warm welcome back to Mr. TANG Kai-chak, who has returned to assume the role of Principal at King's College after the completion of his deployment in another section of the Education Bureau. We are delighted to have him back and look forward to his leadership and guidance in the current academic year.

Our students had excellent performance in renowned competitions

- ☞ Congratulations to PANG Chi-Chung (5C, 2022-23) for being selected as the final Top Ten Outstanding Student in the 35th Hong Kong Special Administrative Region Outstanding Students' Selection organized by Junior Chamber International Yuen Long & co-organised by Hong Kong Special Administrative Region Outstanding Students' Union.
- ☞ Our KC Harmonica Band outperformed other competitors from all over the world and was awarded three champions (Blues Solo, Harmonica Duo and Harmonica Trio of Middle & High School Students Section) and one 2nd runner up (Harmonica Small Orchestra of Middle & High School Students Section) in the 9th Seoul International Harmonica Festival 2023.
- ☞ Our Science Research Team participated in the 8th International Invention Innovation Competition in Canada, iCAN 2023 and achieved outstanding results. WAN Wai-long (5C), CHU Wai-pak (5C), LIU Peikun (4D) and YAU Yan-ngai (4D) were awarded the Gold Award with their invention titled, "AgNPs and Natural dye-sensitized TiO₂NPs-catalyzed photo-oxidation in food waste treatment and its potential application in H₂ production enhanced by Venturi effect". While another team with CHEUNG Marcus Hok-yin (3A) and TAM Man-shun (3D) was awarded the Gold Award with their invention titled, "Home cooking method analyzer: AI App for Health Suggestions based on experimental data from self-designed polarimeter".

So Long, Farewell, It's Time To Say Goodbye..... Goodbye!

☞ We would like to extend our most sincere congratulations and best wishes to our esteemed Discipline Master and Biology teacher, Mr. TAM Chi-kin, as well as our Chemistry teacher, Mr. LAU Kwok-wah, as they embark on a new chapter in their lives in retirement. Their dedication and contributions to our school community have left a lasting impact on our students. We wish to convey our gratitude for their commitment and wish them success and enjoyment in their future endeavors.

Upcoming events

☞ You are cordially invited to attend our upcoming school events:

8 December 2023 (Fri)	Annual Speech Day	Venue: King's College School Hall
--------------------------	-------------------	-----------------------------------

☞ The "King's College Job Shadow Programme," organized by the Life Planning Education and Career Guidance Committee, resumed fully in the 2022-23 academic year. Sixty-one S5 students had the valuable opportunity to shadow 23 alumni and their affiliated parties for a half day or a full day during Christmas, Lunar New Year, Easter, and other school holidays. This firsthand exposure enhances students' understanding of the working world, helps them make informed career decisions, and inspires them to set ambitious goals for their future. **More details can be found in the attached file.** If you are interested in providing our students with work experience options by allowing them to shadow you on your work day(s), please complete the Google registration form by Wednesday, November 15, 2023. For any inquiries, please feel free to contact Ms. TSE Liliale or Ms. NG Bonnie at 2547-0310. To access the registration form, please visit <https://forms.gle/JujsHZEUL8dWdTB3A> or scan the QR code.

The Golden Bond: Alma Mater and You!

Make the most of the opportunities that are available to maintain your continued connection with the School, through its alumni initiatives.

✧ **Would you like to celebrate your important moments at your Alma Mater?**

You could ...

- *celebrate your graduation anniversary with your fellow schoolmates; or*
- *organise a reunion with your class*

✧ **Would you like to support the work of your Alma Mater?**

You could ...

- *share life experiences*
- *deliver career talks or arrange career visits to your company*
- *help with mentoring*
- *sponsor school events, e.g. the exchange programme, etc.*

We welcome any of your initiatives as we believe that alumni play a key role in helping King's College to climb to new heights in the ever-changing 21st Century.
